INTRODUCTION

It is hard to believe that our government has obtained mind-bending technology from extraterrestrials which led to the development of the most destructive weapons systems in history. Many of us doubt this possibility.
However, we have irrefutable proofs that such programs exist, and are currently catalogued in secret files of the United States Air Force. This book reveals these secrets and refer us to the military bases where these weapons systems are stored. Weapons which escape the logic of our mind and our belief. Some belong to the 22nd century, to name a few:

- Project Omega.
- Weapons systems capable of slowing down time, or prolonging it indefinitely.
- A weapon device which creates a holographic projection.
- Weapon system which sucks up the oxygen from the air we breathe.
- The Neutron-Oxygen bomb.
- Stargates Holographic Zooming Project.
- B.E.R: Bioelectric extraterrestrial military robots.
- The Humanoids-US “BER Program” and Men-in-Black
- The EM weapon system and effect on the human brain
- The Extraterrestrials’ “Corridor Plasma”
- The Vortex Tunnel weapon system.

Of course, in addition to:

- 1-Project Snowbird

I. Definition and introduction:

B.C.B is an acronym for the infamous Black Conic Box, also called “Compressor”.

It was reported that the United States military is currently working on phase one of an exotic weapon system known as the BCB. Testing is done at AUTEC, an American military naval base in the Bahamas.

Insiders and scientists nickname the program, or the “gadget” the “Compressor”. The gadget consists of a small black cylindrical container, 1 foot in height by ½ foot in width.

*** *** ***

II. Synopsis of its mechanism and mode of operation:

"It is a movable (Mobile) device, that functions without an external source of energy," claimed a foreign scientist working for the military on an anti-gravity-electro-magnetic project, based on quantum physics. In other words, it works without an electric current, batteries, or any similar source of power.
It is neither electronic nor atomic.
It is programmable and re-programmable.

It draws its energy from within.
An internal cell located in the very inner circle of the cone emits an enormous amount of "sucking power" capable of absorbing, transporting, resizing, and condensing a large amount of contents and materials into the cone.
"The 'sucked up' materials can be anything, all sorts of things…the box can suck up everything you have in your apartment, absolutely everything, chairs, tables, furniture, your bed, your closets, your clothes and even your pets, melt them like ice-cream and boom, shoot them right in the box…" said a well-informed insider, who allegedly works at AUTEC, where pertinent experiments are conducted.

*** *** ***

III. De-fragmenting the molecules:

It was heard from the grapevine, that the "Sucking Power" of this device has the capability of de-fragmenting any object, and reducing it to any desirable size, density, format and weight.
This is based upon the fact, that everything in the universe is made out of molecules, and the density of the molecules dictates the nature, weight and size of any object, any substance, any matter in the world.
By reducing, decreasing, increasing and/or altering the properties of molecules, any object can be reduced and/or

enlarged either to the biggest or smallest desired shape, and consequently be transported to any destination, regardless of space and distance.
The process can also de-fragment the molecules to a certain point, where the biggest object can fit inside the smallest possible container.

*** *** ***

IV. An extraterrestrials-US joint program:
It was allegedly reported that this “sucking device” is an alien technology invented by the Grays, and was given by a “non-human race” (Humanoids) closely working with the military in two secret military bases.
A whistleblower claimed that “AUTEC is one of those secret military bases working on 21st and 22nd centuries military technology.”

Some have claimed that this or a similar “Sucking Technology” device was responsible for the vanishing and/or disappearance of many ships and airplanes in the Bermuda Triangle.
A French-American scientist who vaguely described the black box (Sucking Device) stated verbatim, word for word, “Only those anomalies of the Bermuda Triangle that have occurred after September 1958 were unintentionally caused by extraterrestrials-US joint programs.

The government is not so vicious to cause all these tragedies. In the first phase of their operation, they (United States) needed some adjustments; they did not know how to regulate the equilibrium and the opening (Sliding and Bumping) of the “Tectonic Vacuum”.
It is not exactly a tectonic vacuum, but pretty close.”

*** *** ***

V. Viewed by science:
One scientist commented on this puzzling “Sucking Device” and molecules de-fragmentation. He said, yes, it could happen in theory, and as a matter of fact, some laboratories are currently working on a similar research, and are studying the multiphoton infrared photoinduced ion-molecule reactions.”

Others spoke about a quasi-similar research, although, it is far from echoing the true nature of the “Black Conic Box”, and explaining how it works.
They are talking about the “UV-laser-assisted degradation of poly (methyl methacrylate).”
C. Wochnowski; S. Metev have claimed that, “in a recent study, “Poly(methyl methacrylate) (PMMA) has been irradiated by UV-laser light with different wavelengths (193 nm, 248 nm and 308 nm) in order to investigate the photolytic degradation of the physical–chemical molecular structure.

The photoinduced chemical reactions at the polymer surface have been investigated by QMS, XPS, FTIR and NMR in order to clarify the degradation mechanism. It was also shown that in the UV-illuminated area a modification of the refractive index can be achieved which strongly depends on the irradiation conditions.”

*** *** ***

VI. A devilish invention:
Sucking up your brain, memory and all your personal thoughts:
The “Sucking Machine” is a devilish, satanic invention. If it falls into the hands of evil people, say good bye to humanity. “They could control the whole world,” says a foreign military scientist.

It can suck up your whole life, everything you know, everything you are thinking about, your thoughts, your ideas, your health, your memory, your brain, and store them in the conic box.
They can reprogram you, and send back information and disinformation to disillusion your brain and screw up your life."
He went on to say: "The BCB can destroy or confuse a person's ATP (Adenosine Triphosphate), which is the energy coin of the cell.
When cells are destroyed, molecules and membranes die.

The "Sucking Machine" de-regulates the transfer of energy and all sources of vitality from chemical bonds to your body absorbing energy called Endergonic, and causes destructive reactions in the cell."
When asked to elaborate further, he replied calmly, "I don't want to end up like Bender!"

Nota bene: Bender is Albert K. Bender of Bridgeport, Connecticut, who in April 1952, created the International Flying Saucer Bureau (IFSB). The Bureau was very active and extremely successful. But in 1953, and all of a sudden, Bender dismantled the Bureau, stopped publishing his magazine "Space Review", and ceased all his UFOs writings, activities and investigations.

Some, including the Bureau's UFO chief investigator, Gray Barker have claimed that Bender was threatened by the CIA, and three men-in black visited Bender in his office, and told him to stop everything, otherwise, he will be imprisoned, and possibly killed.
Apparently, Bender took their threat seriously, and closed down his business. Bender's silencing inspired the daring Gray Barker to write a best-selling book, "They Knew Too Much About Flying Saucer".

In the book, Barker wrote about Bender's silencing, and called it the "Bender mystery". Of course, these are only assumptions and unfounded allegations.
Nevertheless, Bender went out of business.

VII. BCB controls your Dopamine and creates new habits:

"The BCB can also be used as a "mental weapon".
It controls everything in your mind and in your body. It creates new habits, and makes you addicted to "something you don't want in your life".
Because it empties your brain from all its contents, and put in (in your brain) new things, new information, new habits, new desires and new thoughts, the person who is operating the machine becomes your master.
He is in charge now, and you become his puppet.

The BCB is more than a military weapon…" explained a former military scientist who worked on mind control programs, sponsored by governmental agencies.
He added, "In the past, and for many years, the government tried unsuccessfully to understand how this horrible alien technology worked.
The scientist extraterrestrials who were working with military astrophysicists in secret underground military labs/installations demonstrated to us how this machine works. But none could really understand what made it work.
I think, now, and unfortunately, they have cracked down its secret. But at what price?"

VII. What is Dopamine?

Dopamine is an important neurotransmitter (messenger) in the brain.
Science defined Dopamine “as a catecholamine (a class of molecules that serve as neurotransmitters and hormones.)

I. Introduction:

Imagine people accustomed to working from 9 am to 5 pm, going to work in the morning to a day that seemingly never ends.
Or an ambulance with a patient that needs emergency treatment never seeming to reach the nearest hospital. What should be a five or ten minute ambulance ride takes five weeks to travel the same distance in normal time.

Obviously the patient will expire, and the 9 to 5 employee will collapse and die from complete physical exhaustion. What seems to be going on here, is that the physical body is

straining under the conditions of the slowing down of time, that the mind seems to be completely unaware of.”
Imagine the scenario seen by people on the ground, of airplanes dropping like stones out of the sky, due to the fact that they have run out of fuel before ever reaching their destination. On the pilot’s instruments, everything has slowed down except for the fuel consumption by the plane’s engines.
The stewardesses have run out of food and drink in the galleys, due to the indeterminable length of the flight, and ask the pilot and co-pilot why they have run out before the plane has landed, when they knew they were sufficiently stocked before the flight took off.
This particular flight from Washington D.C. to New York City, which normally takes only 50 minutes, has been airborne for a month.

Master Kanazawa gave us another example of a passenger onboard this flight, having an urgent need to go to the bathroom, taking up to a week to unzip and pull down his pants!
What then would also happen to the rest of the world, and people’s daily lives?
Work schedules and appointments, food and medical supply deliveries, nuclear plants that generate electricity needing maintenance, and nuclear warheads needing fuses and detonators to have scheduled maintenance and replacement?
Or picture a parent going to pick up their kids after school, and taking what seems forever to reach them.
Or a woman going into labor but never delivering the baby? She will be in labor for ever.

*** *** ***

II. Is there any way to solve this problem?

Unfortunately, there is no way to solve this problem, as the mind has no way of becoming aware of what is happening, or realizing what to do about it.
The purpose of such a weapons system is to completely break down the fabric of society, and incapacitate all faculties and tools of humans, to defend themselves from aliens attacking them with this form of weaponry.
By how much is time is slowed down, and is there any way to quantify or measure the rate of the slowing down of time?"
The Lyrans, the Dracos (from Alpha Draconis), the Zeta Reticulans and the Anunnaki, as well as other civilizations from the Ashtari constellations have this weapons system and can slow time down 100 percent, to the point where time particles begin to disintegrate, and an entire race of beings can be transported back in time.

*** *** ***

III. Project Omega:
There was a "Project Omega", which remains completely unknown to this day to any Ufologist, which dealt with this technology.
In 1957 and 1958, the Gray aliens told President Dwight Eisenhower about this technology.
The American military and President Eisenhower did not believe it possible, until the Grays "rewound the tape of time" to the point where they were able to not only see a holographic projection of Jesus, but listen to his voice as well.

*** *** ***

The Grays, General Marshall, President Eisenhower, and D-Day.

General Marshall was present at this meeting, and decided to ask the Grays if they could re-project an event that occurred

in World War II, known only to General Omar Bradley, General Patton, General Eisenhower and himself.
He gave them the date and location of this event, and waited for the holographic projection. What they then saw before them, was accurate down to the very last detail. The Grays then went even one step further to reveal two letters within the holographic projection:
One, a speech to be given by Eisenhower in the event of a successful storming of the beaches of Normandy on D-Day, and another speech to be given, in the event that this D-Day event was a failure.
The existence and contents of the two letters were known only to Generals Bradley and Eisenhower. Also shown were the six draft letters written by Eisenhower and his secretary.

The device used to create a holographic projection.
“What is the device used to create this holographic projection system that can show past, present and future events in time?”
It is called the Miraya.”
Many alien civilizations have this technology.

IV. Has this weapons system ever been used before, and who used it against whom?

a-The Bnatnouriim.

To our knowledge, alien races have never used this technology as a military weapon against each other. However it was used as a genetic tool by Aruru, Namu and Inanna, about 63,000 years ago, to revisit their Chimiti to evaluate and upgrade one of the seven proto-types of the human race.
The reason for this was the fact that the “women of light” (Bnatnouriim) got bored being isolated ad indinitum in their

quarantined habitat in the Arabian Peninsula.
The Anunnaki goddesses upgraded one of the early human species, to a level of knowledge and awareness that allowed them to meet the standard of mating with Bnatnouriim.

b-Project Serpo, Zeta Reticuli, and Stargate.

In modern times, zooming into the past did occur accidentally, during one of the phases of Project Serpo. The original Serpo team consisted of ten members – nine men and one woman.

The woman was released from the team project when it found out that she was pregnant, thus only the nine men went through the Stargate initially. They zoomed into the future, into the realm of three star systems outside of our galaxy. The plan was to have traveled to Zeta Reticuli, but the stargate sent them somewhere else, for unknown reasons.
The data entered to go through the stargate, had included seven planets that had atmospheres and climates similar to that of Planet Earth.

The ship these men traveled in through the stargate was one made for that trip by the Zeta Reticulan Grays.
Unfortunately, they did not end up in the Zeta Reticulan star system, and while stuck there, ran out of food and supplies, causing the death of three of the men.
This catastrophic mistake could have easily been avoided, had one of the pilots been a Zeta Reticulan, as was suggested by the Zeta Reticulan Grays.

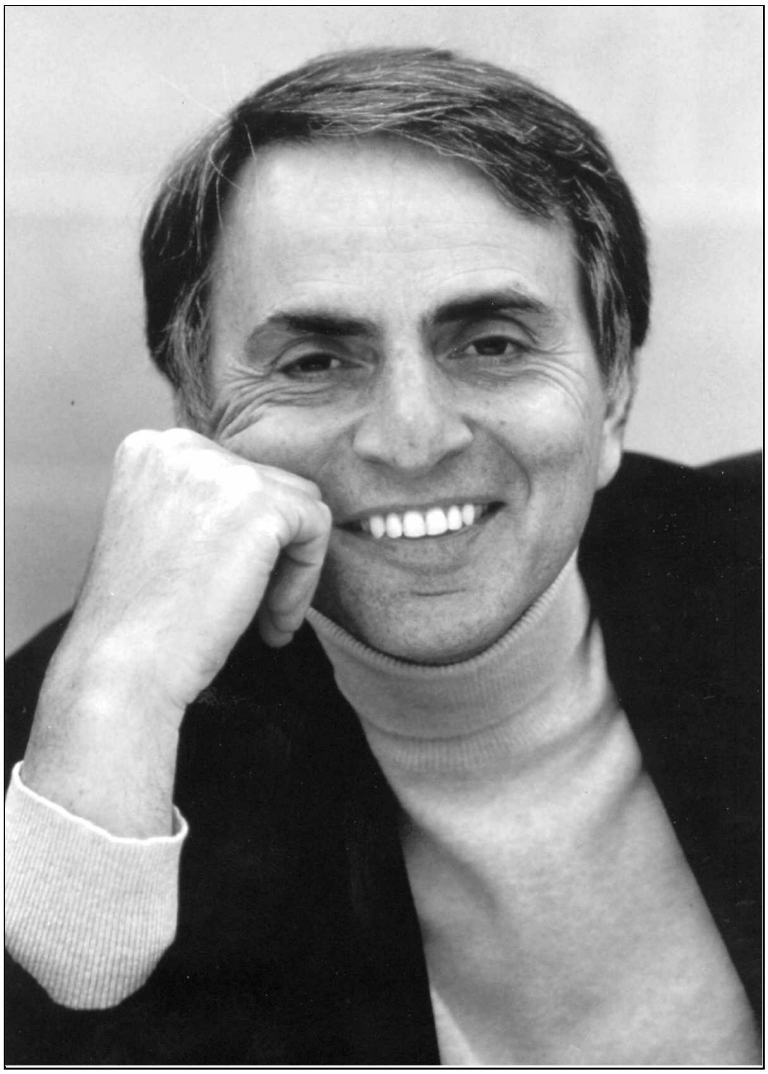
However the American military refused, since they did not fully trust the aliens, and decided to go only with the two human pilots, that had been trained on Gray ships for a period of just twelve months, on a secret base in Alaska.

The reason for taking the pregnant woman off the team, was due to the fact that had she given birth in another planetary system, and in another time/dimension, her son would return far older than his mother (perhaps by a hundred thousand years) and military scientists were not yet ready to deal with such situations.
The reasons for this, according to an insider scientists: “Her baby’s birth in another system, under different conditions/laws of physics would affect only the infant and not the adults, who had been born on Earth.”

*** *** ***

c-Dr. Carl Sagan was fully aware of the Project Serpo’s expedition.
According to secret reports, there was no contact between Earth and the crew for three Earth years.
A military scientist was told by one of the Grays that it had taken them only ten minutes to get there.

*** *** ***



Carl Sagan suggested another attempt be made to go to the Zeta Reticulan system. He was in direct contact with aliens for years.

Dr. Sagan was fully aware of Project Serpo’s expedition, and wrote some of it into his novel “Contact” which was made into a major Hollywood film starring Jodie Foster.

Upon the return of the surviving six team members, and before the project was completely abandoned, Carl Sagan suggested another attempt be made to go to the Zeta Reticulan system, this time using one of the Gray pilots, in a

second ship that had been built for this mission, with three other members added onto Project Serpo.

For the record, the Zeta Reticulan pilot's name was Ramu.
Again they went through the stargate, but this time, they were zoomed back in time and space here on Earth and into another dimension.
It was at this point that Carl Sagan pointed out to the American military aware of this project, how this technology could be used against the human race, by the Zeta Reticulan Grays, having realized that both expeditions into the past and future were deliberate diversions on the part of the aliens.

d-Betty and Barney Hill and the Zetas' star map.
Something else worth mentioning to the reader: Why would a world famous astronomer like Carl Sagan question the existence of extraterrestrial beings, or question the abduction of Betty and Barney Hill and the star map she drew, when he himself was in direct contact with them for years?
The Zeta Reticulan Grays did indeed show her a star map for their star system, but worked with Carl Sagan for eight months on a complex star map of several galaxies, some of which were in different dimensions, which is still to this day, one of the most prized files on galactic civilizations in military possession.

e-Carl Sagan and SETI.

Carl Sagan would not share any of his discoveries or knowledge gleaned from the Grays, with any of his colleagues, including his close associate and friend, Frank Drake of the SETI Institute.

Carl Sagan wanted to be in full control of the whole project, and would periodically refuse to work or cooperate with scientists and astronomers, occasionally suggested by the United States Air Force, NASA, and the N.S.A.

This could possibly explain why many at SETI still hate his guts to this day!

I. The Neutron Bomb:

Also called an “Enhanced Radiation Weapon”, the ERW or Neutron bomb is a type of thermonuclear weapon. An ERW is any weapon used to magnify radiation production, beyond what is normal for an atomic device.

The research on this weapon system, was started in 1956, reached its peak in 1958, and is generally credited to Samuel Cohen (the self-proclaimed neurotic), of the Lawrence Livermore Laboratory, who was a protégé of Edward Teller – the father of the Hydrogen Bomb.

II. The purpose of this weapon:

This is probably the most terrifying weapon in the hands of the American and Israeli military to date.
The purpose of this weapon is to destroy every living biological life form, without destroying infrastructure. Every human and living thing will die, and the area can be captured, taken over and moved into after about a month.
The Neutron bomb is a tactical weapon, developed specifically to release a very large portion of its energy, as

highly energetic nuclear radiation, to harm biological tissues without causing nuclear fallout.

Explosion/Implosion of a neutron bomb.

III. Two types of the Neutron Bomb:

We are aware of two types of neutron bomb:
The Neutron-Oxygen Bomb (Blueprints of which were given to the Americans by the Grays).
The AGM-114N, also referred to as the “Plastic Neutron Bomb”.
The AGM-114N was said to have been used in the U.S. invasion of Iraq, during the Battle of Baghdad in 2003, and killed 2,000 elite Republican Guard troops, but left buildings and infrastructure largely intact.

Apparently, this was the biggest and most horrific story of the American invasion of Iraq that was simply too ghastly an event to report.
What causes this most excruciating and painful death, is the massive amounts of free neutrons released, which break down the molecular structures of all living biological things, that basically hemorrhage to death.
Unlike heavy elements such as caesium, uranium and plutonium that cause nuclear fallout and have very long half-lives, neutron particles will be absorbed in a very short time, rendering no lasting damage to subsequent life forms after a period of a month or so.

IV. Neutron Bombs produce immediate and permanent incapacitation:

The Neutron Bombs were intended to deliver a dose of 80Gy, to produce an immediate and permanent incapacitation.
However, one significant drawback of this weapon is that not all targeted troops will die, or be incapacitated immediately.
From ground zero and up to 1,000 yards away, most every living thing will be totally incapacitated within minutes, and

physiologically will become the most miserable creature imaginable, with blood exploding out of every orifice in its body.
Further out than 1,000 yards, many of those hit will experience a brief bout of nausea, followed by a temporary recovery, known as the “walking ghost” phase, lasting days to weeks.

These victims will be aware of their inevitable fate, having witnessed those who had died the most agonizing death imaginable.
Neutron bombs are expensive to make and maintain, due to the relatively short half-life of Tritium (12.3 yrs). However AUTEC is stockpiled with both the “plastic” and advanced types of Neutron bombs.

The main base of AUTEC (Atlantic Undersea Test and Evaluation Center.)

V. The Neutron-Oxygen bomb:

The Neutron-Oxygen bomb (according to the blueprints provided by the Grays), does not produce any explosion, heat, fire or sound, or any infrastructural damage.
It specifically targets the brain and respiratory system. Once it is dropped, every living thing that requires oxygen to breathe, will be asphyxiated.

The data on the volume of air, and extent of the atmosphere affected by this bomb, is still being kept top secret. However an experiment to this effect was conducted on a remote island in the Pacific Ocean in the late 1950's.
A small airport facility was built, with perishables and livestock placed on the island.
After the bomb was dropped from the aircraft, the pilot said he observed what appeared to be an umbrella looking that momentarily opened and then closed back down on itself.
No smoke, no fire and no sound were seen or heard from the detonation of this bomb.
Other military saw it differently, describing it as if it looked like a large fishing net being thrown over an area into the water, then disappearing.
To date, this weapon has not been used on any human civilian population, or military troops in any country.

Stargates:

Modern Ba’abs

- Definition and introduction
- II. Stargates over Chicago and New York
- III. The American Ba’ab and the “Giant Gray”
- IV. Etymology
- V. Metaphysical and religious-mythological stargates
- a- Angels as gates guardians
- b- The Amalantrah Working
- VI. Our universe has some extra dimensions
- VII. How terrifying is this project/program?

I. Definition and introduction:

Ba’ab “Bab” is a term for an Anunnaki’s stargate; an entrance and an exit to multiple worlds, stars, planets, and galaxies.

The Anunnaki deploy Ba’ab “split-time-space technology” to travel to any region of the universe in a fraction of a minute.

In contemporary science fiction literature, quantum physics, and ufology, Ba’ab could be compared to the American stargate technology.

This technology allows the Anunnaki to bend time and space and travel to various dimensions, levels and types of the cosmos, such as:

- 1-The multi-dimensional world,
- 2-The parallel world,
- 3-The future world,
- 4-The galatico-plasma world,
- 5-The past dimension,
- 6-The future dimension,

- 7-The multiverse zones,
- 8-The space-memory zone,
- 9-The Akhashic sphere.

This also allows them to send and receive instant knowledge and messages from and to the beginning of the universe, the beginning of time, and the beginning of motion.
This time-space technology is not a monopoly of the Anunnaki. Many extraterrestrial races travel the infinite universe through the Ba'abs.
The wording or term "Universe" does not apply anymore; it is a relic from the archaic past. The word "Multiverse" should be used instead.
In plain English, beyond and around Earth, and the world we know, there are millions upon millions of parallel universes, multiple dimensions, habitats, and life-forms, Earth-like planets (Nature, intelligence and organisms), that can be explored, seen, and visited by humans via stargates.

*** *** ***

II. Stargates over Chicago and New York:
There is a huge cosmic Ba'ab/stargate over Chicago. But this one is quite unique, because it is called a Madkhaal, which means in Ana'kh, an entrance, rather than a stargate.
Not all stargates are identical, nor do they function in the same manner. There are stargates that lead to another (singular) world, an incomprehensible world of bent time-space. And there are stargates that lead you into parallel dimensions adjacent to our world.
The one over Chicago leads you towards a dimension where time and space are no longer linear.
In this dimension, the laws of physics as they are known to us on earth no longer apply.

The Madkhaal is located above Grand Central Station in downtown Chicago.
It is oval and vibrates like a rubber band, very similar to a multiverse membrane, found in the perimeter of the eleven dimensions mentioned in contemporary quantum physics.

Grand Central Station in downtown Chicago. There is a huge Stargate (Ba’ab) over the station.

Another one over Madison Square Garden, New York.

It is neither visible to the naked eye nor can it be detected by any apparatus on Earth. Also, worth mentioning here, is the subject of the “Anomaly of Stargates.”

Stargates do vary in size, function, purpose and mobility, just like the extraterrestrial underwater plasma corridors, used to navigate our seas and oceans.
The stargate in New York City, which is located over Madison Square Garden, is twice the size of that over Central Station in downtown Chicago. Travel to and from the Chicago stargate is possible at particular times, however travel through the Madison Square Garden Ba’ab is a one-way street.

Since the Ba’abs are at least 900ft – 1,700ft above ground, it is not possible to jump into a Ba’ab. At the time of the return of the Anunnaki, an electromagnetic fog will suck up the people with light to medium contamination, as set forth by the Anunnaki’s return protocol.

*** *** ***

III. The American Ba’ab and the “Giant Gray”:

Many extraterrestrial civilizations are familiar with the concept and its pragmatic application. Insiders have claimed that the extraterrestrial Grays (Intraterrestrial Aliens) showed American military scientists how to enter a Ba’ab (Stargate).

A most unusual claim about the American Ba’ab stated that in 2006, while an American spaceship tried to enter a Ba’ab, a “giant Gray” exited the spacecraft, because it needed a sudden repair. The alien was sucked up into the galactic vacuum and the craft exploded. This event was recorded on a film and was sent to NASA and MIT.

Both the Russians and the Americans have tried to develop a space technology in order to penetrate these gates. The Anunnaki are fully aware of their progress.

There is nothing to fear, as long as our military scientists and the Pentagon realize, that the offer they got from the intraterrestrial Grays, living here on Earth, is not as benevolent, as they have thought in the past.

Any Grays’ technology given to humans of any nation will lead to disaster, for the Grays’ agenda and intentions are macabre and malicious.

*** *** ***

IV. Etymology:

From Ba’ab “Bab”, derived:

- **a**-The Sumerian word Babu. (The plural is: Babani and Babati).
- **b**-The Arabic word Bab. (The plural is: Abwaab.)

Some ancient Near Eastern and Middle Eastern civilizations incorporated the word Bab in their most important symbols and national entity vocabularies, such as the word of Babylon, which means the gate of God.
Babylon is composed of two words:

- **a**-Bab (Gate),
- **b**-Ylon or Eli, or El (God).

“Zahi asbut bab-rab-sunnu ana izziqipi uzaqip.”
From the Annals of Sardanapalus. Translated verbatim: “700, men about their great gate on crosses, I crucified.”
King Esur (Assur, Ashur) said: “usashira gimir babani.”
Translated verbatim: “I put around all the gates.”
And: “mihrit babi-sin.” Translated verbatim: “Before their gates.”
From the Annals of Sardanapalus: “Zabi tilai in babatte “Babati” sa er-su ana ziqipi lu uzaqipi.”
Translated verbatim: “Men alive at the gates of his city on crosses I impaled.”
And from the slabs of Sennacherib: “Mihrit babati.”
Translated verbatim: “Before the gates.”

V. Metaphysical and religious-mythological stargates:

a- Angels as gates guardians.

Numerous Bible and Talmudic scholars agree that the sky, and the earth contain spiritual entities-presences behind celestial 'gates'.
The Anunnaki-Ulema call these gates Madkhal.

There is nothing spiritual in these gates. They are simply an opening on multiple spheres of existences, and different layers of space-time. He added, religious scriptures are colorful and metaphoric, and sometime poetic.

As long as we understand the literature of religions as fables and stories crafted by inspirational scribes, the truth is not tarnished. And as long as we understand that God does not position his angels to guard the doors of heavens, and does not appoint prophets and apostles as the keys holders of the paradise, no harm will come from the fabrication of Biblical tales.

The Bible tells us that they are spirits who try to enter and exit these gates. The Anunnaki-Ulema have explained to us, that these spirits are lower entities they have created thousands of years ago, and do not belong to any religious literature.
The early Judaic scholars warned the Hebrew people not to communicate with these spirits who are trying to escape darkness. (Deut. 18:11)
But the Anunnaki-Ulema stated that Earth is the realm of darkness, not what lies beyond.

b- The Amalantrah Working:
In March 1918, Aleister Crowley has claimed that he succeeded in creating a vortex-gate that links our physical world to a non-physical world. He called it the bridge, and the process was coined the Amalantrah Working.

Crowley stated that while the gate (Vortex) was open, an entity manifested itself. Crowley named the entity “Lam”. Later on, he drew a facial portrait of Lam.And lam became a permanent fixture on the landscape of modern ufology.

Numerous new age ufology enthusiasts rushed to describe Lam as a Gray!

Some thirty years later, the legendary scientist Jack Parsons and L. Ron Hubbard, founder of Church of Scientology began to work on their “Babalon Working”, in a desperate attempt to reopen the gate, allegedly created by Aleister Crowley.
Their fans are convinced that Parsons and Hubbard succeeded in opening the gate, and in allowing entities from a different world to enter and exit the gateway.
Some have claimed that an open gate would allow extraterrestrial beings, and particularly the Grays to abduct humans.
Nonsense!

VI. Our universe has some extra dimensions:

To quote CERN’s own published documentation (A public domain statement): "Some theories suggest that, beyond the three spatial dimensions we experience, our Universe has some extra dimensions.

These have finite size, so they are curved onto themselves, for instance in the shape of a circle (although, for more than one extra-dimension, more complicated geometries are possible).

To really detect the extra dimension, one needs to probe it with particles with a very high energy. In quantum mechanics, the larger the energy of the particle, the smaller its effective size is.

So to detect a small dimension, one needs particles of very high energy.

The extra dimensions are actually so small that even our largest particle accelerators have not produced particles of enough energy to see them.

Inside CERN.

However, in some theories, the sizes of the extra dimensions are just large enough for particles in the LHC at CERN to be able to detect them."

There are theories that suggest that the matter particles we are made of cannot propagate on the extra dimensions. In these theories, the only way to detect the extra dimensions is by using gravitational interactions.
The strength of gravity in the 5-dimensional (or higher-dimensional) description is much more intense than in four dimensions, hence we predict the possibility of creating black holes in collisions in the LHC.

These events would be spectacular, with the black hole decaying almost immediately into a shower of many particles, and would allow us to test the properties of quantum gravity in accelerators.
In any of these two possible scenarios, the detection of the existence of extra dimensions would be an unprecedented discovery, and an astonishing insight into the nature of the Universe!"

VII. How terrifying is this project/program?
Ulema Kanazawa said, "That's fine. I have nothing against CERN, however, once this ambitious project becomes a reality, world powers, and especially the super military powers will get CERN findings by the horns. And if CERN results fall in the wrong hands, kiss our world goodbye."

Sophisticated and Exotic Aliens' Weapons Systems at AUTEC

a- D. S. I and the extraterrestrials
b- The Atlantis scenario

I. Introduction:

Numerous ufologists have suggested that the aliens and the United States government are working together on very sophisticated and exotic weapons systems at AUTEC.
These claims were never substantiated, or proven factual.
For obvious reasons, none of the ufologists and conspiracy theorists was able to make a solid case out of their claims and arguments.
In addition, none of them had access to any document, documentation, evidence, and/or military witnesses, or civilian scientists from the naval base, as they have aggressively claimed in the past, when they argued and presented their Roswell and Area 51 scenarios.

However, it appeared that some “insiders” managed to learn about Top Secret weapons projects and programs allegedly, jointly carried and executed by an alien race and the military.

In the United States, a history Channel program called UFO Hunters hosted by the very distinguished Dr. Bill Birnes, publisher of UFO magazine, and a highly respected author and scholar referred to these aliens-US programs in one of the episodes on USOs and AUTEC.

I was one of the guests who discussed at length the AUTEC subject, and its involvement in said projects. I provided explosive information, but everything I have said about these programs never made it to the small screen.
My statements were deleted or censored/removed.

II. Weapons systems out of this world:
Based upon some unsubstantiated, by assumed highly reliable accounts by military scientists and leaks from AUTEC's high profile employees, the following has been established:
1- HZP: An acronym for Holographic Zooming Project.
A prototype is en route.
The second prototype will be available in 2010.
The previous project was traditional; meaning based upon known scientific data, and is described as follows:

2-Earth-made holographic zooming:
This prototype system, Holographic Zoom Lens HZL-C-1000, represents the first hardware version of a stepwise holographic zoom lens described by B.D. Guenther and C. D. Leonard in Technical Report, T-79-12 for the U.S. Army Missile Research and Development Command, 1978.
As stated in that report, optical components may be classified into the following three groups according to the mechanism by which they operate.

- a-Refractive Components
- b- Reflective Components
- c- Diffractive Components

*** *** ***

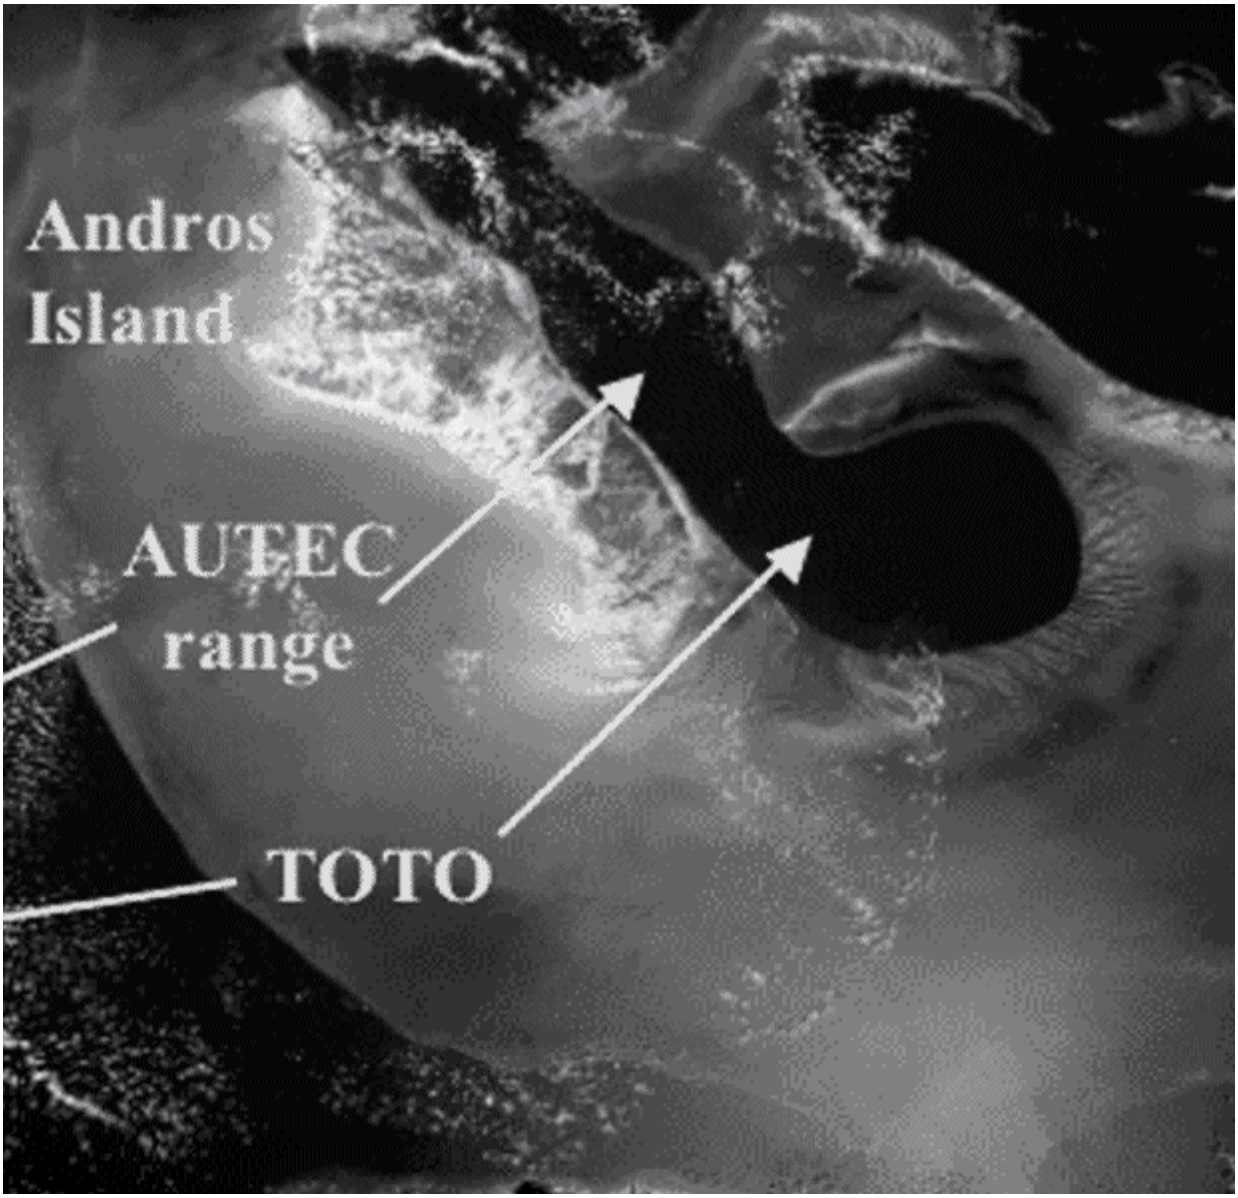
3- Extraterrestrials-made holographic zooming:
The extraterrestrial holographic zooming is quite different, and much more complex, complicated and superior. The

extraterrestrial holographic zooming is quite different, and much more complex, complicated and superior.
Data and technical specs are kept secret.

However, from talking to a European scientist who is allegedly working on this project with the extraterrestrials, the following was obtained.
The scientist said verbatim, word for word, as is, and unedited: “Holography as applied in the project means the projection of a picture or a substance that has been de-fragmented and transported via a grid.

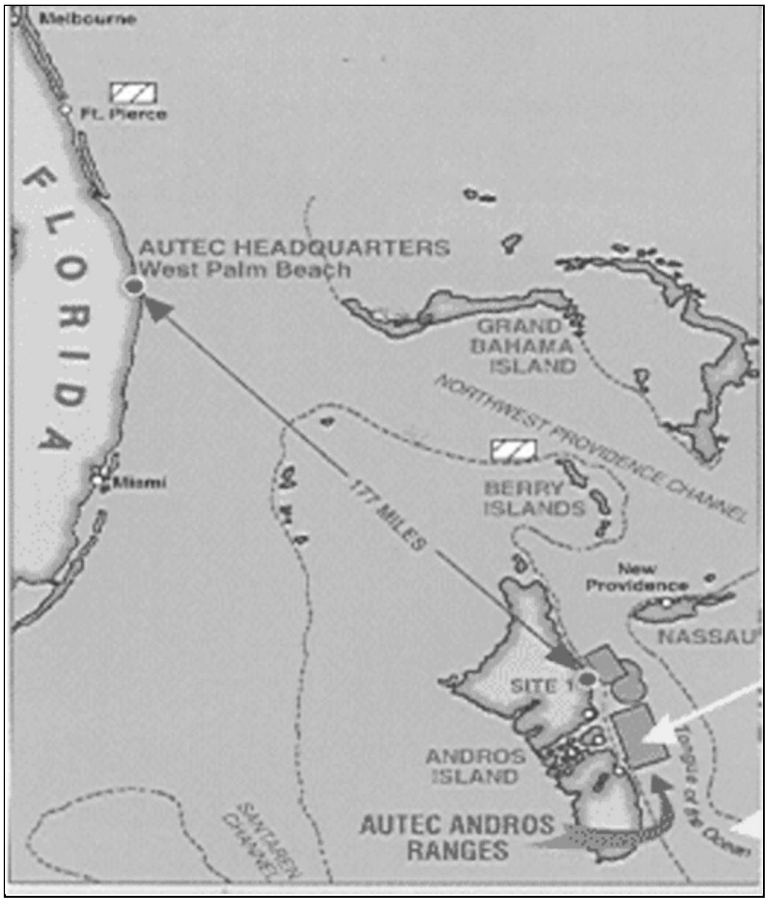
It is similar to what you see reflected in a mirror. However, it is more realistic, because it interacts with you, and can be programmed and reprogrammed.

In other words and simply put, you take anything you want, a tank, a building, a car, a whole city and you create the tank, the building, a city, in a sequence of numbers (ones and zeros).
The sequence has its own language and frequency.
The language is used for command.
The sequence is used for programming. In doing so, you will be able to know what constitutes the substance and “inertia” of everything in the world. And inertia has also its one substance. And the substance itself can be broken like an atom.



AUTEC facility.
AUTEC/TOTO. A satellite view by NASA.

AUTEC



AUTEC Headquarters.

Much more, you can divide the inertia into molecules. Each molecule will have its own sequence, like a DNA. By doing so, you can change and/or totally alter its nature. For example, you take the Empire State Building. You enter its blueprints

into the grid. The grid will read its sequence which was created through the re-programming using the code of ones and zeros.
At distance, and without even touching the Empire State Building, you can disintegrate it, erase it, and destroyed… you wiped it from the face of the earth by a simple holographic process.
Another fascinating characteristic is the creation of something that does not exist at all.

For instance, you can create a whole city with the holographic grid, and project it on a huge scale, big, as big as a small city. On your grid, it is a virtual image. But on a landscape, it is a reality. Mind you, it is not an alternate reality. It is not a camouflage. It is real.
This technique can be used to deceive the enemy, and of course to confuse everybody.
You can transport New York from its actual location to another, and substitute or replace it with the holographic projection you have created."
The measurements of genome/DNA chips of any substance, and pertinent holographic reconstruction have enormous military applications.

It is difficult to understand how extraterrestrials manage to do this. Scientists have already done something with these measurements, but in a different area.
They call it "microarray measurements." Explanation is provided below:
As explained and noted by Ehud Gazit; Tel Aviv University, Israel; Madi A; Friedman Y.; Roth D.; Regev T.; Bransburg-Zabary S.; Genome Holography.
"DNA chips allow simultaneous measurements of genome-wide response of thousands of genes, i.e. system level monitoring of the gene-network activity.

Advanced analysis methods have been developed to extract meaningful information from the vast amount of raw gene-expression data obtained from the microarray measurements.
These methods usually aimed to distinguish between groups of subjects (e.g., cancer patients vs. healthy subjects) or identifying marker genes that help to distinguish between those groups. We assumed that motifs related to the internal structure of operons and gene-networks regulation are also embedded in microarray and can be deciphered by using proper analysis.

In addition to the intra-operon structure, it is also possible to predict inter-operon relationships, operons sharing functional regulation factors, and more. In particular, we demonstrate the above in the context of the competence and sporulation pathways.
By analyzing gene-gene correlation from gene-expression data it is possible to identify operons and to predict unknown internal structure of operons and gene-networks regulation."

III. Holographic zooming going on at some intelligence agencies:

There is something close to holographic zooming going on at some intelligence agencies, and in the labs of avant garde research companies.
By comparison to the extraterrestrials' technique it is rudimentary, but the potentials and future developments are enormous.
David Crane said: "There's no doubt that geospatial information systems (GIS) have become an important component of network centric warfare (a.k.a. net-centric warfare).

Military analysts/strategists, as well as those tasked with Homeland Security missions, have to be able to visualize geographic areas and correlate those pictures with relevant mission data/information.

Statement from Northrop Grumman:
“In the past, geospatial information, or geospatial intelligence, was displayed and presented in the form of paper maps.
Northrop Grumman Mission Systems’ ultra-cool TouchTable Immersive Collaboration System, billed as "the next step in advanced GIS collaboration", has changed all that.
Now, military and Homeland Security analysts, planners, and strategists can manipulate images in real time, and thus better assimilate the geospatial information and intelligence that’s presented.
This will, hopefully, result in faster decisions through a better overall tactical and strategic understanding of the battle-space.”

IV. D.S.I

Acronym for Deep Sea Integrated Bubbles Program.
It seems likes a meta science fiction story, but the military scientists are vigorously working on the program.

a- D. S. I. and the extraterrestrials:
As a matter of fact, they don't call it anymore program, but system, for it was reported, that D.S.I. is in its final stage.
What is D. S. I.? It is a mystery.
No data or specs are available, because it is beyond top secret. However, it was allegedly reported that D. S. I. is a system created by extraterrestrials, and co-developed by military scientists.
It can sink ships without torpedoes, and shoot down airplanes without missiles.
In addition, it can melt anything that sails or flies without leaving any trace!

A French-American scientist who claims to be one of the "brains" working on D. S. I., stated (As is, word for word and unedited): "D. S. I. makes things disappear without leaving behind any trace or evidence.
It is a formidable source and tool of energy that cannot be detected; a sort of plasma-gas bubbles vortex that can suck up ships and planes and make them vanish."

Asking him, "Is it similar to those notorious rising methane bubbles?"
He laughed, and said: "Yes, on the surface, (For lack of proper wording) but it is more complicated and more

destructive than you can imagine. Don’t ask me how the system works? But one thing I can tell you, the energy comes from the bottom of the sea. You know, D. S. I. can open a wide section deep down in the ocean and create a vortex-vacuum capable of swallowing a 85,000 tons ship, in matter of seconds! The ship goes down instantly, and dissipates inside the ‘Hollow-Opening”!!

b- The Atlantis scenario:

Some ufologists and channelers have claimed that AUTEC is sitting on the top of Atlantis. A so-called medium (Well-known by the way) stated, “Because AUTEC is situated above an opening leading to Atlantis, this ideal position allows AUTEC to make ships and airplanes disappear.
It is happening, we know it…”

Those who believe in the prophecies of Edgar Cayce are convinced that the vanishings of ships in the Bermuda Triangle are caused by a source of energy coming from the bottom of the sea, where Atlantis is allegedly located, and/or seems to reappear from time to time.
Rationalists and scientists dismiss the whole idea and call it “Ufology nonsense”.
However, there is a large group of scientists who entertains the idea, and/or the possibility that a certain kind of gas-bubbles can eventually, and in theory sink a ship. But none attaches this possibility to an extraterrestrial-United States secret program at AUTEC.

B.E.R:
Bioelectric extraterrestrial robots

- I. Introduction
- II. The Humanoids-US “BER Program” and Men-in-Black
- III. EM effect on the human brain
- IV. Physiological symptoms
- V. Almost guessed by ufologists

I. Introduction:

The topic of bioelectric robots (or astro-biolectric robots) isn't often addressed by astrobiologists, however astro-geneticists in general have shown some interest in exploring this new field of study. Only ufologists are psychologically prepared to go one step further.

David Levy, an artificial-intelligence researcher at the University of Maastricht, explored the subject of robot-human intimacy in depth. His doctoral thesis on sexbots was developed into a book titled “Love and Sex with Robots”, in which he explains that “the age of robot-human unions may be closer than you think.”
He stated: “My forecast is that around 2050, the state of Massachusetts will be the first jurisdiction to legalize marriages with robots.” Allegedly, an almost similar aliens-robotics program involving humanoids-extraterrestrial robots began some years ago, under the auspices of an obscure

intelligence agency in the United States. Very few military scientists are aware of the existence of this program. It is Top Secret.

*** *** ***

II. The Humanoids-US “BER Program” and Men-in-Black:

There is a most unusual project in avant-garde military-ufology referring to bioelectric extraterrestrial robots (B.E.R.) This black project program is still totally unknown to “Civilian ufologists”.
It was heard, that a secret humanoids-military program called the BER started in September 1986 in two locations in the United States; the first, at a laboratory operated by a leading university, and the second one in an underground military facility.

Essentially, BER explored the possibility of using human-like robots capable of acting like human beings.
These robots were intended to be used as replacement for the so-called MIB (Men-in-Black).

*** *** ***

III. EM effect on the human brain:

One of the advantages of using these robots, is their EM effect on the human brain, particularly, while interacting with aliens and/or para-military’s abductees, and tracking people who were used as guinea pigs in aliens-US mind control programs.

A French-American scientist, allegedly working for a scientific intelligence agency, said, verbatim, word for word, “These robots unlike robots manufactured by companies to replace man-power tasks, move, act and communicate like human beings. They look like us, and in many instances, they show emotion, and ordinary human reactions.”

*** *** ***

IV. Physiological symptoms:

The effects of EM fields on areas of the brain and particularly with people who are EH (Electrically Hypersensitive) can and does cause all manner of unusual and undesirable neurological and physiological symptoms including:

- a-Visions
- b- Hallucinations
- c- Fear
- d- Anxiety
- e- Being OOB (out of body)
- f- Unconsciousness
- g- Feeling of being touched and watched
- h- Seeing UFOs
- i- Encountering aliens.

The external EM interferes with bioelectrical processes within very specific areas of the brain cortex. However, it does not effect the “Conduit” which was installed in our brain by the Anunnaki, some 65,000 years ago.

*** *** ***

V. Almost guessed by ufologists:

BER and BER-MIB projects (Some call them programs) are not phantasmagoric ideas. They exist.
Ufologists, almost guessed what was going on, through alleged leaks, but still, they have no clues.
By pure coincidence, author and ufologist Raymond E. Fowler vaguely guessed something about these bioelectric robots, when he talked about the Watchers (The Gray entities) and called them bio-electric robots.

Extraterrestrials' "Corridor Plasma"

- I. Definition
- II. Characteristics
- III. Location of the Corridor Plasma
- IV. US military scientists and the Corridor Plasma

I. Definition:

Corridor plasma is a term used to refer to underwater tunnels and passages created and operated by aliens to navigate the oceans.

By using these plasma tunnels, UFOs can accomplish extraordinary tasks, such as, to name a few:

- **a**- To reach an astonishing speed;
- **b**- To avoid sonar detection;
- **c**- To remain undetected by spy satellites;
- **d**- To enter and exist underwater bases.

I was the first to talk about the Corridor Plasma, in 2009 on the History Channel, UFO Hunter Show, Cable Television, USA.

*** *** ***

II. Characteristics:

The corridor plasma is movable and mobile, meaning that aliens can place the underwater tunnels, and displace them according to their needs, and "navigation chart".
The tunnels extend to thousands of miles underwater, and serve as a web network for several alien underwater bases

around the globe.

Their spaceships known as USO (Unidentified Submerged Objects) use the plasma corridors to navigate the oceans and seas. According to some, the “Corridor Plasma can be compared to a White Hole, where gravity exists no longer.

In the White Holes, the gravity as we know it becomes a reverse gravity.
This phenomenon allows the alien underwater crafts to attain a mind-boggling speed.”

*** *** ***

III. Location of the Corridor Plasma:
Some of these bases are located in:

- **a**- The Bahamas
- **b**- The Japanese “Dragon Triangle”
- **c**- The north side of the so-called Bermuda Triangle
- **d**- Alaska
- **e**- Florida.

*** *** ***

IV. US military scientists and the Corridor Plasma:
Allegedly, AUTEC (Atlantic Underwater Testing and Evaluation Center) is connected to these tunnels.
I am certain that the technology of the Corridor Plasma was given to American military scientists working at AUTEC, and several other naval bases.
The Grays intraterrestrials (Aliens who live on Earth) are the inventors of this astonishing technology.
One of the most amazing aspects of this technology is the fact that the aliens’ underwater crafts never touch the water.

There is a plasma shield surrounding the exterior body of the craft.
We know that plasma produces extreme heat.
And this heat can melt the craft. But the aliens found a way to isolate the plasma heat from the body of the craft, by adding two layers of anti-plasma shields (Called Plasma Belt) to the exterior body of the craft.
In other instances, a cold plasma is used.

Underwater Bases

Excerpts from the book “The Revised, Indexed and Complete Book of the Anunnaki-Ulema Final Warning to Humanity, the End of Time, and the Return of the Anunnaki in 2022.”

_____

Question: Is it true that a massive Russian underwater base exists one mile deep in the Marianas trench in the Pacific ocean?
If so, what activities/research/experiments are going on there?
Do the Chinese have one too?

Answer:

The “Aquatic Plasma Corridors”

Yes, it is true.
The Russians have a massive underwater base that was created in 1969, to study an extraterrestrial underwater navigation system called “Aquatic Plasma Corridors”.
This corridor is undetectable by satellite, sonar or any other underwater detection system. Not all branches of the Russian Navy were aware of the creation/existence of this base.

During one of their naval maneuvers just outside the perimeter of this Russian underwater base, six frogmen from one of the Russian submarines encountered three alien frogmen in metallic suits underneath a massive metallic object.
Both the Russian and alien frogmen were roughly at a depth of one hundred to one hundred and twenty feet.

The alien frogmen were 8ft to 11ft tall

The alien frogmen were wearing what appeared underwater to be metallic suits of indeterminable and interchanging colors that morphed from a silvery white to bluish to grey.
One of the Russian frogmen stated that when he tried to approach these three, he was blocked by what seemed to be an invisible underwater force-field, created by the alien frogmen as a protection shield.
The Russian frogman's oxygen tanks started to fail and he quickly lost consciousness and started sinking but was saved by one of his fellow divers.
After being rescued, he described the alien frogmen as being 8ft to 11ft tall, as he saw them underwater. And none of them had any visible oxygen tanks/breathing apparatus attached to them.
In the secret debriefing that followed, the Russian diver who saved his fellow frogmen, said that when he too tried to approach this massive foreign submerged object, he encountered what felt like a solid transparent wall surrounding the object.

An oval glass box surrounded and shielded the aliens' underwater craft

He later described it as an oval glass box, surrounding this mysterious submerged object which also shielded it from contact with the ocean's water.

After the fall of the Berlin wall, and ensuing collapse of the Soviet Empire, rumors started circulating within the military and scientific community, that this bizarre event was in fact

a joint Russian-extraterrestrial operation designed to explore the effects of the underwater plasma corridor on it's environment in the ocean, and on humans, as well as their psychological and psychosomatic reaction to encountering the corridor and seeing the alien frogmen and the ship itself.
Two decades later in Lake Baikal, other Russian navy frogmen encountered similar 9ft "silver swimmers" who also had no visible breathing apparatus.

While these encounters are largely unknown to the general public, military scientists with top clearance are well aware of them, and have worked on similar projects in different underwater bases, such as the one known to us as AUTEC, which is located off Andros Island in the Bahamas.

Massive underwater bases and joint human-alien operations

These massive underwater military bases, whether they be Russian, or American or Chinese, look from the surface to be rectangular/traditional compound structures.
However upon entering them underwater, they expand in all directions, and are extremely extensive. And all of them are joint human-alien operations.

Starting from the second underwater level, compartments are divided into large operation rooms, separated by elaborate long corridors, curving at 90 degrees every hundred feet or so, with doors that can drop down from the ceiling to seal off segments in the event of radiation leakage, or any matter related to internal security.
One of the interesting characteristics of these doors in the corridors is the circular porthole-like windows within what is a whitish metal of extraterrestrial origin.

None of these metallic alloys are possible here due to earth’s gravity, and as such have to be done in orbit aboard the Space Shuttle.
Interestingly enough, this technology has been shared by American, Russian and Israeli military scientists.

At one time British and French scientists complained of being left out of the loop, to which the Americans responded very candidly “We don’t trust Europeans – especially the French!” To which the French retorted that they would withhold all information garnered from the Cassini-Huygens mission to Saturn.

*** *** ***

Cassini approaches Saturn (Artist's impression: NASA).

Cassini-Huygens Spacecraft.

An Ulema stated that the spacecraft captured evidence on aliens’ existence and UFOs’ photos, the United States could not have access to.

An American three star general was quick to respond by saying “This is not the first time you Europeans have withheld information from us.

Remember the Belgian incident?” (Aurora)

The mode of transportation down to the underwater base and within the base is also fascinating.
From the surface, one enters a craft that looks like a silvery metallic spinning top, approximately 8ft in diameter, that can comfortably accommodate four passengers, and corkscrews its way downwards centrifugally around a rod using a form of magnetic propulsion for what seems to be a only a few seconds down to an unknown depth.
I do not think the Chinese yet had this technology.

*** *** ***

The “Spinning Mobile Satellite”

From the second underwater level on down, the “Spinning Mobile Satellite” (SMS) travels horizontally and reaches its final destination at an undisclosed level of the base at which it again dives into water.
It is at that level/destination that you will find the habitat and work center of the Grays.
Only the highest level’s personnel with top clearance can go there. Not even President Barack Obama or Vice-president Joe Biden, or any member of Congress/Senate are allowed access to that level at these facilities.

This clearance status was decided upon (jointly) by the NSA, the CIA, the United States Air Force, the DOD and NASA. Even the FBI has been excluded from this exclusive little club.

In my opinion, this is perfectly appropriate, since politicians come and go, whilst the military are sworn to secrecy, the average career of top military brass are thirty or more years, and they take their secrets with them to the grave.

The Vortex Tunnel

I. Introduction
II. Mode of operation and purpose
III. The American military has successfully sent six men through the vortex
IV. What are the military implications and applications of this technology?

I. Introduction:

Created by a group of daring avant-garde scientists, who obtained a government contract to develop such a horrible weapon. It is sometimes jokingly referred to as “the straw”.
This vortex tunnel can be turned on and turned off at will, and is a project that was started in the 1960’s and became fully operational in the 1970’s.

*** *** ***

II. Mode of operation and purpose:

When activated (usually done in open fields in the American mid-west, away from farming and populated areas), an invisible vortex opening that is about ten feet wide, sucks in everything in its path, up to 500feet in all directions.
This is only one of its functions. Its primary purpose is to do just the opposite – but to propel object and people into an opening created by its operation that leads into another dimension very close to the one we live in.

III. The American military has successfully sent six men through the vortex:

Has anything/ anyone propelled into that other dimension been brought back to ours?

The answer is yes. The American military has successfully sent some of its military personnel who volunteered for the experiment and were sent through a vortex tunnel to this other dimension and brought back.

Within close circles it is also referred to as the “TTT” or the “Tag Team Tunnel”

This team of six were sent through the vortex and were supposed to have returned within a matter of ten to fifteen seconds, but ended up gone for fifteen minutes.

When they asked the Gray personnel working with them on this project why the men had not immediately returned, the Gray scientist laughed at them. At which point they demanded he goes through the tunnel himself to retrieve the men.

Within a few seconds, all six men and the Gray were back.

In the debriefing that followed, the six volunteers said that the dimension they were in was so close to ours, as to be able to see and hear one Major put a gun to the head of the Gray, saying “You better go in there right now buddy and get my men back!” The Gray laughed at him but returned with the six.

Apparently, all Gray aliens are known to play tricks and games like these with the military, within many of these joint projects.

What did the men see, hear and feel in this other dimension so close to ours?

According to the men, they saw a labyrinth of corridors before them, and the only colors they saw everything in were blue, light blue and light gray. No other colors seemed to exist in this other dimension.

There was no sound or breeze or any kind of feeling in this dimension, and it felt like a void filled with corridors.
The only sounds they could hear were those of the military officers and camera men behind them who were observing and filming this experiment.
Turning around to return to the room, the six volunteers said they encountered the most unusual invisible, intangible wall that would not let them come through to the physical world and dimension we live in.
Try as they might, and as close as they were to the others, within inches of them in fact – and yelling and screaming to be let back in, none of the observing officers heard or saw them.

When the Gray went in to retrieve the six from that dimension, he had a device on his wrist that he had withheld from the military would be necessary for the men to return.
Upon stepping in, he grabbed a hold of the first man, and placed his other hand up to the invisible intangible wall of this dimension. The device on his wrist revealed a knob on the wall, which he turned and then told the men they could move forward. As the first man went through, to the second man standing right behind, it was as if he dematerialized to the width of a page in a book was flipped over.
The wall of this dimension now became foggy, and the other men were terrified of going through it, not knowing whether they too would be turned into sheets of paper that could be turned over as if flipping from one page to the next in a book.
The Gray assured the men it was perfectly safe, and was their only back to our world, so the men had no choice but to go through.

*** *** ***

IV. What are the military implications and applications of this technology?

Imagine being able to transport an enemy unit of troops, or even one of their military bases, to this dimension. Within the void of this dimension, there would be no food, no water, no stimuli of any kind that the human body and mind is used to. Whoever is sent here would go insane from sensory deprivation, whilst starving to death from hunger and thirst. This technology is still in development, and the Philadelphia experiment was a precursor to this kind of vortex tunnel technology.

One military scientist said: "Our numbering system was similar to that of the aliens, and although our numerical designations were different, we were able to use lines, dots and numbers to indicate the corresponding number.

After several exchanges of messages, the aliens got it before we got theirs. It was obvious to us that we were dealing with a highly advanced civilization…they did not send complete sentences, but they sent enough for us to understand the meaning of the message.
From that point on, we communicated only in English except for numbers.

We grasped their numbering system pretty quickly and used their numbering system since we did not wish to provide them with wrong landing coordinates.

II. BL-rm3
“Blue Room Manifesto”

I. Introduction:

BL-rm3 is an acronym for “Blue Room Manifesto, Level 3”, never used by ufologists, and/or mentioned in ufology’s jargon. Many link the “Blue Room” to Wright-Patterson Air Force Base.

Simply put, the manifesto is a list/compilation of alleged aliens’ artifacts, UFOs’ wreckages, reports on autopsy of dead aliens’ bodies, so on.

Wright-Patterson Air Force Base has long been connected to recovered UFOs, extraterrestrial debris, logs on extraterrestrial language’ code, and the “storage” of dead

aliens’ bodies. Its Hangar 18 has been said to store the wreckage of three UFO crashes, while the “Blue Room” is believed to be the final resting place of four alien bodies. This is the first half part of its macabre enigma. The second part is its mysterious name: Blue Room!

Wright-Patterson Air Force Base

.

When Senator Barry Goldwater tried to see the Blue Room, he was refused entry.

On more than one occasion, the senator told the story of being denied access to view the secret, underground facilities at the base.

*** *** ***

What is the origin of this name?
Should we ask first, why did the top brass call that facility a blue room?
Apparently, nobody knows.
As expected, many ufologists jumped to several conclusions which did not make sense. Some have claimed it is called blue, because the walls of the room were painted blue.
Others have suggested that “blue” means nothing in particular, at one time, and especially after the Second World War, all the interiors of military hangars, especially repair-shops were either painted blue or gray. But the truth is more colorful than blue, gray, or any other color!

*** *** ***

II. Allegations and possible explanations:
a-The first story:
Allegedly, a retired Lt. Colonel has leaked to close friends (Outside the military) that originally the Blue Room was not called Blue Room. In fact, it was “called nothing, at all.”
He added that the room was a “small area of a huge hangar used to store military materiel. Everything changed with the arrival of bags and wooden boxes allegedly containing wreckages of an extraterrestrial spacecraft.”

A retired sergeant completed the rest of the story; he said, “Bags and bags start to arrive to the Base.
Some were small, and some were large, but all were black bags, you can call them body bags if you want. We had piles of them. They took a large area of the hangar.

The first night, we piled them on the top of each other at one corner of the hangar.
Sometime after 3:00 am, two civilians, one colonel and one captain arrive to the hangar and started to sort out something. They were looking for something but we did not know what they were looking for.

Barry Goldwater

When Senator Barry Goldwater tried to see the Blue Room, he was refused entry. On more than one occasion, the

senator told the story of being denied access to view the secret, underground facilities at the base.

Around 7:00 am, more bags arrived, they were blue bags, I think they were 4 or five of them, I don't remember.
For some reasons, more civilians arrived and were very concerned with these blue bags.
They put a tag on each one of them, and took all the bags to another area right below the hangar.
The men start to talk about these blue bags, and before you know it, everybody on the base starts to talk about the blue bags. Why these bags were special?
At the beginning nobody knew.

The next day, we start to hear things, you know, things like alien crafts, alien bodies, stuff like that. I think because the blue bags were taken below, down you know, where we had iceboxes, and nobody, I mean nobody could get there, the boys start to call the room Blue Room.
Yah, they called it blue room because it has the blue bags, that's all…"

*** *** ***

b-The second story:
According to one person who allegedly worked on a top-secret alien reverse-engineering program, the storage area was called "Blue Room" because of the "many tubes and glass containers, military doctors brought to the storage room.
The containers had some sort of blue liquids. And they brought lots of them."

According to one source, the blue bags were removed to another area, not Hangar 18, but to an underground bunker consisting of three levels. Level three was called the "Blue

Room”. Later on, level three became an “Operation Room”; a medical operation room.

Note: Worth mentioning here, that story one, story two and other allegations surrounding the blue bags and blue room were never substantiated.

*** *** ***

III. Senator Barry M. Goldwater’s statement on the Larry King Show:

In 1994, in an interview conducted by Larry King and broadcast on CNN, Goldwater said, "I think at Wright-Patterson, if you could get into certain places, you’d find out what the Air Force and the government does know about UFOs. Reportedly, a spaceship landed. It was all hushed up.
I called Curtis LeMay and I said, ‘General, I know we have a room at Wright-Patterson where you put all this secret stuff. Could I go in there?’ I’ve never heard General LeMay get mad, but he got madder than hell at me, cussed me out, and said, “Don’t ever ask me that question again!”

*** *** ***

IV. Senator Barry M. Goldwater, the UFO’s crash and the “Blue Room”:

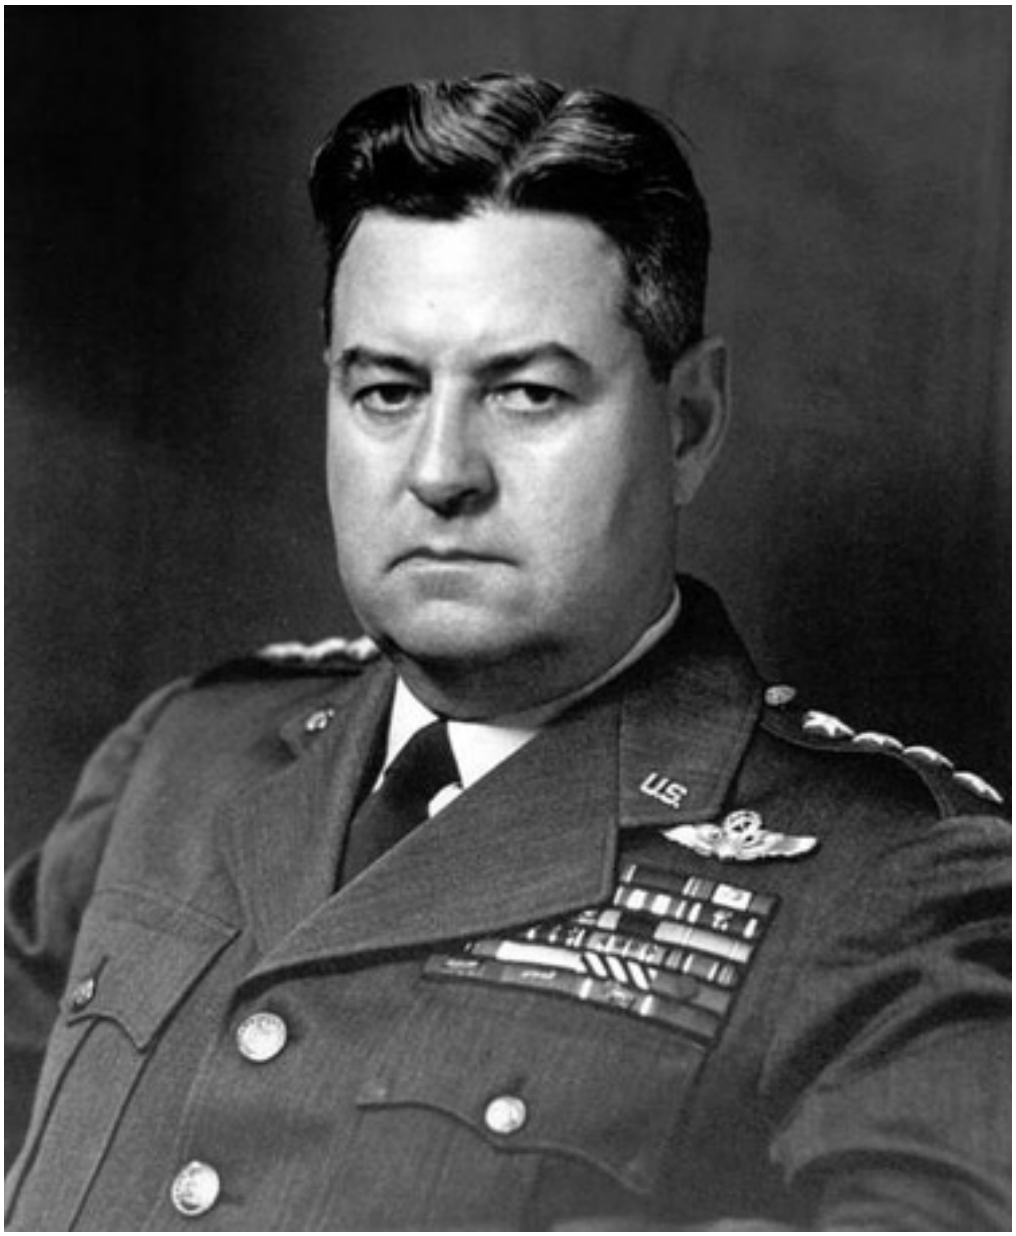
Senator Barry M. Goldwater, a powerful politician, a former presidential candidate, a former Major General in the United States Army Air Corp, and a member of the US Senate Select Committee on Intelligence for many years, could not enter the “Blue Room”.

He said: “I have investigated that incident (Roswell) through every possible agency that may have had some responsibility, the FBI (Hoover who shut me off quickly), The

NRO, DIA, NSA, etc., and have gained nothing other than hell from the Pentagon. I'm as curious about those facts as you.
The reaction I have had from General LeMay and the on-site Roswell facts known by General "Butch" Blanchard, etc., has told me one thing that it did happen and is a major secret regarding UFOs and aliens of our time. Perhaps of all time.

General LeMay Chairman of the Military Joint Chiefs of Staff at the Pentagon very angrily told me that I had no need to know. Butch Blanchard was a very valued friend of mine since WWII. He was the person who announced that a disc had crashed near Roswell in 1947.
This cussing out did awaken me to one fact, that the UFO situation is the highest level of national secrecy.

*** *** ***



General LeMay, Former Chairman of the Military Joint Chiefs of Staff at the Pentagon.

Butch Blanchard

Much higher than the H-Bomb was and more than anything else that is known within the Pentagon, FBI, CIA, DIA, NSA, etc. That is, nothing is higher security than aliens being here on this planet. Then I realized Curtis was correct. And I never again approached him on the subject. That seemed to prove to me that UFOs were a fact, and do exist. But, are they all aliens?

I highly suspect a majority are! Hell, they are no doubt far ahead of our level of intelligence.

V. Goldwater's letter to Lee M. Graham:

Mr. Lee M. Graham
526 West Maple
Monrovia, California 91016

Dear Mr. Graham: First, let me tell you that I have long ago give up acquiring access to the so-called Blue Room at Wright-Patterson, as I have had one long string of denials from chief after chief, so I have give up. In answer to your questions, "one is essentially correct." I don't know of anyone who has access to the "Blue Room", nor am I aware of its contents and I am not aware of anything having been relocated. I can't answer your question six, in fact, I can't find anyone who would answer it. To tell you the truth, Mr. Graham, "this thing has gotten so highly classified," even though I will admit there is a lot of it that has been released, "it is just impossible to get anything on it." I am returning your papers because I know they are of value to you.
Sincerely,

Barry Goldwater

VI. From Goldwater to William S. Steinman:

Mr. William S. Steinman
15043 Rosalita Drive
La Mirada, California 90638

Dear Mr. Steinman:

To answer your questions, I have never gained access to the so-called "Blue Room" at Wright Patterson, so I have no idea what is in it. I have no idea of who controls the flow of "need-to-know" because, frankly, I was told in such an

emphatic way that it was none of my business that I've never tried to made it my business since.
I wish you luck on your investigation. I'm one of those people who believe that with some two billion planets scattered around our universe, there has to be a couple of more that can support life on it.

Sincerely,

Barry Goldwater

I. Introduction:

These altercations refer to the famous “Dulce War” between extraterrestrials and US military; several altercation incidents between the U. S. military/civilian workers at underground secret bases and the aliens, particularly the Greys and the Orions; Military mass execution at the Dulce laboratory; and Ambar Anati’s blowing up a US Military base.

II-The Dulce laboratory incident:

a- 66 American soldiers were killed.

According to insiders, there was an altercation between the U. S. military and the aliens at the Dulce laboratory.

A special armed forces unit was called in to try and free a number of military personnel and scientists “trapped in the facility who had become aware of what was really going on.”

According to one source, 66 of the soldiers were killed in the effort, and the scientists were not freed.

Apparently, an agreement has been reached between the United States and aliens who co-shared a secret military base, giving the aliens absolute freedom in conducting their own business in the base.
The American soldiers and scientists were restricted from interfering in any activity and the genetic operations conducted by the alien Greys.
In addition, it was allegedly agreed upon by both parties, that the American soldiers shall not bear arms in the areas under the direct control of the aliens.

*** *** ***

b- The extraterrestrials are not benevolent at all.
For some reasons, source said, “armed men entered two aliens’ compartments carrying sophisticated weapons and laser-beam guns. A clash between the aliens and the military men led to several fatalities.
None of the alien Greys was killed.

*** *** ***

c- Dr. Edward Teller, inside the tests tunnels.
Dr. Edward Teller, "father" of the H-bomb, was seen in the nuclear test tunnels of the Nevada Test Site. One insider has claimed that “Teller was driving his workers and associates like a man possessed…and well he should be for Dr. Teller is a member of President Truman’s along with Admiral Bobby Inman, Lew Allen - to name a few members…”

Notes:
a) One report said: “Security guards who worked at secret underground military bases and for MJ-12 were regularly transferred to other units, their names and serial numbers altered, so to hide all evidences and to prevent any possible leak.

b) Nowadays, many believe, including a great number of ufologists, that MJ-12 is a myth, a story fabricated by W. Moore and associates, and publicized by Stanton Friedman et al.

*** *** ***

III- The Anbar Anati's incident and account:

It was reported by Ambar Anati, a hybrid-alien, of an Anunnaki origin, that she spent many years in the United States, and attended NYU.

The incident/clash story was told in a biography of Anati.

To many, Anati's account on how she met with the CIA and NSA agents in Washington, DC, her flight to a US Air Force base, her visit to Dulce underground base, her meetings with the Grays, and how she burned down the base is a pure fantasy.

To others, a possibility. And to a few, the real McCoy.

You will be the judge.

*** *** ***

Anati in her own words:

I went to a hotel in New York. I had with me a special device, an ingenious thing that had on it the special telephone numbers of top members of the National Security Agency, or NSA as everyone refers to them.

Only two or three people in the world have these numbers, not even the president of the United States has access to them.

They are used only for matters related to extra terrestrial reverse engineering. The device makes sure the phones will be promptly answered, and when I called, I gave them data that they recognized as their own extra terrestrial material.

They were shocked, but nevertheless they agree to meet with me. I suppose they realized they had no choice. Rather politely, they offered to fly me to Washington DC, where they wanted to have the meeting, but I informed them that it was not necessary.

*** *** ***

Anati: I met the military, NSA, and CIA people at the Four Seasons hotel in Georgetown, Washington, DC.

It was easy for me to simply materialize in DC, and I did not want them to know my current address, if this could be prevented. They directed me to come to the Four Seasons hotel in Georgetown, where they were to meet me at the lobby.

I was to know, if questioned at the hotel, that I was heading for the suite that was reserved under the name of a Middle Eastern gentleman who owned a limousine service in DC, and had often used the hotel for similar purposes.

I materialized a little distance away from the hotel, and walked there on M Street. Three members of the NSA were waiting for me, and they took me to the reserved suite, where fifteen more people were sitting around a huge table. They rose and greeted me politely, but I could clearly see the suspicion in their eyes and in their thoughts.

I noticed that the shades of all the windows were closed, and I saw no telephones.

However, they all had gadgets in their hands which I have recognized immediately.

They were navigation devices, which at the time were known only to extraterrestrials, not to any humans.

The Grays cannot turn their heads independently of their body.

For a moment I assumed that they got it from the Grays, for communication purposes, and then noticed that quite a few of these people were really Grays who had shape-shifted to resemble humans.

I can easily identify them, because even while shape-shifting, the Grays cannot turn their heads independently of their body.

They have to turn the entire body if they wish to look to the sides. As they turn, their eyes cannot follow their heads quickly, like humans' eyes, but they have to refocus.

All that is done rather discretely, but after living with the Hybrids and the Grays, I could not miss that.

In addition, humans usually fidget, move around. The Grays never do. When seated, they sit quietly, immobile. When standing, they are straight and immobile as well. In addition to that, I had more instructions from Nibiru as to how to recognize all shape-shifters, which I cannot explain because it involves using the Conduit.

One of the Grays at the end of the table was tapping nervously on the edge of the table with something that looked like a pen, and from time to time pointed it towards me. I recognized this gadget as a scanning device, such as we use on Nibiru.

It was not held by any of the humans, because this fiber/scanning device was not known to the humans' scientific community until much later, 2006 or 2007. I supposed the Grays kept it to themselves for a while.

I did my best to ignore the fact that half the people there were Grays, and proceeded as if I had no idea and was talking only to humans.

I had nothing to fear, really, since I could annihilate the Grays with one thought, and I decided that discretion

was the best approach.

The Grays maintained their pretence throughout it, and I said nothing at all.

Come to think of it, I was used to the treachery of the Grays, but I have to admit I was a little distressed by the humans' duplicity and stupidity.

Did they really think I won't recognize the Grays?

Holographic pictures showing the entire sequence of the Roswell crash.

I have explained to them who I was, telling the absolute truth, and giving my name as Ambar Anati. Naturally they did not believe me. To help persuade them, I first of all, projected certain images on one of the walls.

These were holographic pictures that showed them the entire sequence of the Roswell crash, where the Gray was held, and data pertaining to their research.

They still were not persuaded that I was who I claimed to be, but the fact that the projections were done without any equipment made them uneasy and less sure of themselves. They were at least ready to listen. I told them quite a lot about the Grays and their agenda. "By now," I said, "you must be aware that they do not tell the truth, that they are not to be trusted."

"Business is business," said one of them. "They have given us more than they promised, too, so we have gained additional knowledge. It's not really a big deal if they abduct a few more people."

"First of all, it is not a few people. It's thousands that are tortured and killed."

“What can we say?” answered another. “Sometimes harsh measures cannot be avoided.” I did my best to hide my feelings about such a statement, and went on.

“Are you aware of the fact that they are trying to take over earth?”

“No, we were not informed about such intent,” said another.

Radio plasma belt around earth to isolate earth from the universe.

“And are you aware of the invisible radio plasma belt around earth?

They want to isolate earth from the universe. This belt can expand up or down, and can affect missiles, rockets, or airplanes, and blow them up.

It explains what has happened to various airplanes in Vietnam, and also to human spacecrafts and space missions.”

“We don’t understand what you want us to do,” said one of them.

“I want you to trust the Anunnaki. They intend to help you get rid of the Grays. This is really very simple. Either you go with the Anunnaki, in which case much can be done, or you stay with the Grays. If you choose to stay with the Grays, the Anunnaki will return and clean up the earth, in a way that you will not like.

They are perfectly capable of annihilating the entire population if the atrocities do not stop.”

“Are you threatening us?” asked one of them. The rest stared at me, impassive.

“I would not call it a threat,” I said. “I would call it a fair warning. Remember, the Anunnaki are stronger than both humans and Grays.

They did not have to send me, they could do what they wanted without warning. But they prefer to save as many humans as possible."

*** *** ***

I multiplied myself into thirty copies of myself.

"How do we know how strong the Anunnaki really are?" said one of them. "After all, they have been away for so long. They don't seem to have much of an interest in us."
"Let me show you a small example of what the Anunnaki can do," I said.

In a blink, I multiplied myself into thirty copies of Victoria; we arranged ourselves around the table, behind the sitting people. They jumped off their seats, shocked.
"It's a trick," cried some of them. "Grab her!"

"Please, do grab," I said. "Touch all thirty of me, and see that this is not an idle trick. We can become billions, if we wish." Hesitantly, they touched some of the multiples. A few multiples offered to shake hands, which the humans did, trembling. They could not deny the multiple's tangible presence.

I contracted myself into one person again, and sat down. "Please," I said.

"I have no desire to frighten you. Sit down and let's be reasonable."

The Grays are an immediate threat.

"Truth is, Ms. Anati," said one of them, "The Grays are an immediate threat. They are right here and we cannot control them. The Anunnaki are far away. But still, we can

see that you wish to help us, and it should be considered. What would you want us to do?”

My visit to the Dulce underground base.

“I want to start by going into some of the more important places where humans and Grays interact,” I said. “I need much data to deliver to the High Council of Nibiru and receive instructions before I meet the President of the United States, among others.”

“I think the best thing to do is to go to Dulce, in New Mexico. It is the most important joint laboratory of the Grays and the U.S. Government,” said one of them.

The others nodded in agreement. “There are bases in Nevada, Arizona, and Colorado, among others, but Dulce is the most important.”

“Very well. Would you assign one of the members to come with me, act as my escort?” I asked.

“Yes, Colonel X— will go with you.” The colonel rose. He seemed to be a respectable, middle-aged man. In reality, he was certainly a Gray. As before, I pretended not to notice.

“Would you like me to materialize you there?” I asked.

“No, I think it’s best if we go in a more traditional way,” said the colonel. “We don’t want to startle the People in Dulce too much. It’s best if they don’t panic.” I agreed and we decided to go th e next day, in a military plane.

*** *** ***

Dulce Base lies under Archuleta Mesa on the Jicarilla Apache Indian Reservation, near the town of Dulce.

On the plane, the colonel, who had become reasonably friendly, gave me some information about Dulce.

“It’s all underground, you know” he said. “People know about seven layers, but in truth, there are nine I am aware

of, perhaps more I don’t even know about. It’s really a very large compound.”

“Where exactly is it?” I asked.

“It lies under Archuleta Mesa on the Jicarilla Apache Indian Reservation, near the town of Dulce.

Very easy to keep it a secret, the way it is constructed,” he said. “And they are very careful about security. You will see.”

We finally landed at the small air field. A not medium sized building, guarded and surrounded with a high wire fence, stood in the desert.

We entered a normal room. I noticed the cameras in the entrance, and a woman in military uniform looked at some papers Colonel Jones presented to her, but the security was not impressive.

I realized later that the deeper you went into the compound, the stricter was the security. She pressed a button, and a man came to escort us through a door that led to an escalator.

From then on, it seemed we were descending into Hell.

Everything was clean, shiny, and metallic, much like I remembered from my unpleasant stay with the Hybrids. No matter where you looked, you saw a security camera. There were side doors everywhere.

Apparently, many secret exits and entrances existed, and each was loaded with security features, some seen, some invisible.

On the first level we were joined by a Gray. He was polite and distant, and showed us into various offices without much comment.

*** *** ***

Heavy spaceship activities

The offices were normal, military, and stark. Maps hung on walls, with many pushpins in various colors stuck into them. The individual colors, the Gray explained, showed sites of high activity of different subjects.

Green, for example, showed sites of heavy spaceship activities, including those of extraterrestrials that were not Grays, and were considered enemies by them. Red were for areas of cattle mutilation and collection of animal blood. Blue indicated underground activities and caverns. I do not remember all the other colors and sites, but the arrangement was quite elaborate.

The offices were monitored constantly by humans, who wore military-like jumpsuits. Each carried a gun, quite visibly.

All the uniforms were decorated with the symbol of the Triangle, much like the Phoenician symbol.

They had various letters in each triangle, supposedly signifying rank, but I never found out if this was true. When they saw that we were accompanied by the Gray, they simply ignored us.

The second level was exactly the same, full of offices, but after the first level, which we reached by the escalator, we used only elevators.

*** *** ***

The elevators were controlled magnetically, using alien technology.

I was told that the elevators had no cables in them, and were controlled magnetically, using alien technology. Magnetism also supplied light, which came from flat, round objects, and there were no regular light bulbs in sight.

*** *** ***

Hospital-like environment used for impregnation of female humans.

The third level was devoted to hospital-like environment used for impregnation of female humans.

I was not allowed into the surgical ward itself, but the Gray explained that the experimenters removed the fetus, and placed it for speeded-up growth in an incubator, creating Hybrids.

In this facility, more than in the one I visited during my previous time with the hybrids, they tended to experiment with genetic manipulation during the very early time in the incubator. The results were quite monstrous sometimes.

Through windows in the walls, I saw cribs, or really a sort of cages, with some of the results. Deformed humans were the norm – extra arms and legs, small or very large heads, and creatures that did not really look humans. “What do you do with these?” I asked.

“We harvest certain tissues and then kill them,” said the Gray. “We learn quite a lot from them about genetics. We apply them to our own research.”

*** *** ***

Genetic labs that created half human/ half animals.

On level four, there were genetic labs that created half human/ half animals. Their shapes, as I saw them sitting in their cages, were so horrific, that I had to avert my eyes.

Some of them had a reptilian look, some had fur, and others looked like gargoyles. “Do you harvest tissues here too?” I asked.

“Yes, we combine this research with the materials we get from the cows. The research is extremely interesting and useful,” said the Gray.

*** *** ***

Aliens live on levels five, six, and seven.

The aliens had their living quarters on levels five, six, and seven. These looked much like military barracks, as we passed the corridors and peeked into the rooms, but I saw no reason to enter.

I asked the Gray if it was true that there were additional levels. This did not seem to phase him at all, and he said, in his perfect English that seemed so unpleasant, coupled with his scratchy alien voice, that yes, of course.

Apparently, they took advantage of the huge natural caverns under Dulce, and created additional levels.

They carried even more security there, and the Gray said that if we wanted to go there, he would have to call two more Grays to accompany us, and we would need to use an eye identification system.

These details were quickly accomplished, and we used a side elevator to the eighth level.

*** *** ***

Aliens experimented with manipulation of the nervous system.

Here they also experimented with manipulation of the nervous system by various means. It allowed them to cause disease and even death from a distance.

“I am afraid you cannot enter the place where the subjects are kept,” said the Gray. “These subjects are mostly insane, dangerous, and very susceptible to changes in the routine. If we enter, we might destroy some of the experiments.”

*** *** ***

Storage of fully grown creatures and tissues.

Level nine, where we were invited to enter, contained storage of fully grown creatures and tissues in vats, all dead.

This included tanks full of embryos in various stages of development, weighting for use.

The place was kept as clean as the rest of the compound, but the smell of the chemicals was overwhelming.

I simply could not stay there long, and Colonel Jones, who until that time showed no emotion, suddenly shape-shifted and appeared in his real, Gray form.

“You knew all along, Ms. Anati,” he said, his voice turning scratchy. “I never thought we could trick you, and would have preferred to appear in my true form in the first place, but my group insisted.”

“It does not signify,” I said. “Of course I knew.”

The other Gray did not pay much attention to the shifting, being used to such practices.

*** *** ***

Level ten was devoted to human aura research.

Level ten, the most secret of them all, was devoted to human aura research, and other extra sensory abilities, including dreams, hypnosis, etc.

The researchers were able to record dreams on specialized machines; the dreams were studied as part of the major advanced study of psychic power and phenomena.

“Once we are more advanced in this research,” said the Gray, “we will have total power over other races. Of course, we mean no harm to humans nor to the Anunnaki. We are merely concerned with the Reptilian races.”

I almost laughed. No harm to humans?

Was the Gray trying to be a PR person?

*** *** ***

The Grays have reached almost total control over humanity.

When we finished our tour, we were escorted out of the complex. The plane waited for us outside. I said nothing about my disgust, horror, and disbelief to anyone.

But I have seen enough, and I knew that this was just the tip of the iceberg. Such treaties must have been entered into by more than the United States government. The Grays have reached almost total control over humanity.

After materializing myself back to New York, I knew I will always be watched, but I also knew how to handle it and avoid my watchers. I needed time.

*** *** ***

Everywhere I went I saw Grays in shape-shifted form.

First, I spent a few days just digesting what I saw. I made myself invisible, and left the hotel for hours of exploration.

I walked the streets, took the subway, went on buses, visited museums, stores, offices, hospitals, senior citizens home, schools, and more.

Everywhere I went I saw Grays in shape-shifted form. Obviously, they did not only infiltrate the military, but spread out much more.

They flooded the city. Some worked in offices, some in restaurants, obviously doing it as part of their agenda.

They were nurses, teachers, officials, sanitation engineers. They were probably doing the same in other cities, urban areas, towns, and even other countries.

For me, as I mentioned before, it is easy to recognize a shape-shifter.

I was taught how to do it by the best teachers on Nibiru. But a human cannot do so very easily. Your doctor could be one. The nice lady in the department store could be one.

The teacher of your young child could be one. In addition, I saw many hybrids. Vicious, unfeeling, and manipulative, they flocked mostly into the entertainment industry, the financial world, and the advertising field. It seemed they liked glamour. The Grays and their slaves, the Hybrids, have invaded the world.

After a few days I got to work. Using the same device that had gotten me the telephone numbers of the NSA members, I spent my time contacting and negotiating with hundreds of people from a number of governments on earth.

I also visited other laboratories, bases, and Air Force fields. Each time I negotiated, I have encountered the same road blocks.

Every government on earth was in terror of the Grays. The Anunnaki were feared, too, and the knowledge that they will very likely attempt to clean the earth, terrified the humans, but not enough to get them out of their fearful paralysis regarding the Grays.

*** *** ***

Powerful politicians and businessmen wanted to make billions and keep it secret within a tiny group of the financial elite.

But that was not the worst.

Unbelievably, many individuals in power simply did not care. All they wanted was to keep their power, to control, to wage war. They wanted to make billions and keep it within a

tiny group of the financial elite, while the rest of the world was permitted to go to the devil.

This was a long mission. For years I went from country to country, getting in touch with the people in power, acquiring knowledge, collecting data and transferring it, every night, to Nibiru.

The High Council took it all very calmly, and when I despaired, reminded me that my services were invaluable despite the seemingly unachievable goal of converting humanity.

The only bright points of my day were my evening conversations with my daughter and my husband, who were always supportive and loving. I drudged on and on, until I thought that nothing more could be achieved.

I stayed until late 2007, and then I made the call and requested permission to go back to Nibiru and make my final report. As always, Marduchk was there for me and I left an earth I no longer loved. I was going home.

*** *** ***

Blowing up the base.

One last time, I said to myself. This is their only chance. If they agree to accept the final option of changing their ways, good.

If not, I would not stand in the way of the Council's plan of cleansing the earth. It would hurt me a great deal to think of the millions that were about to die. But there will be no more opposition on my part. I would obey the Council, no matter how badly I will feel.

With the weariness of an act that was performed hundreds of times over the past seventeen years, I contacted the highest level military personnel in an important air base which I will

call North X, since of course, I cannot reveal the real name. As always, they had no choice but to meet me.

At this time, anyway, after all these years of negotiations with everyone, including some presidents of the United States and Europe, I was pretty well known – and highly disliked. Perhaps I was even a little feared. The individual I spoke to was very agreeable, and proceeded to arrange the details for the meeting with me. “By the way,” I said, after all was decided upon.

“If a single shape-shifting Gray will be at the meeting, I will leave immediately. And believe me, I always recognize a shape-shifter. You see, this is the last meeting I plan to have with any human, and the presence of a Gray will defeat the purpose of it.”

“There will be no Grays at the meeting, Ms. Anati,” said my contact. “I can promise you that. My colleagues and I have already discussed the issue before you and I came to arrange the meeting. They feel the same way as you do.” Well, that was a good sign, I thought. We shall see.

Arriving at the air base, I was immediately taken to a small, ordinary conference room. A few people rose from their seats at the conference table as I came in.

There were two generals in military uniform, one retired admiral, who worked for the NSA as a consultant and was a co-proprietor of a major civilian jet propulsion company, a colonel who worked as test pilot for Douglas and Boeing companies, and a person that I guessed represented the White House.

As always, they were extremely polite, and indeed, none of them was a Gray. Perhaps by that time they finally believed that I could recognize a shape-shifter, or perhaps they had their own agenda.

I think, in light of what took place later, that the second option was the correct one. They wanted to hide the meeting from the Grays.

*** *** ***

The government allowed the Grays to go on with the atrocities and the abductions of human beings.

We sat around the table, and they turned to me, ready to hear my offer. They thought that I still was ready to negotiate. Of course, the time for negotiations was over, but they did not realize that.

“Allow me to summarize the current situation for you, gentlemen, I said. “Whether you take action now or later, you will be facing an extraterrestrial threat. The threat you have now comes from the Grays who are controlling your science and space program, and dominating a major part of the earth.

The Grays know that you have tried, for many years, to find a weapon system to counter attack them. And they know very well that you have started this program when President Reagan took office.

They also know that you failed to develop such a weapon system on your own. That means that you are defenseless. You know it, and they are aware of it. This is why you allow the Grays to go on with the atrocities and the abductions of human beings. It makes you feel safer with them.

However, what you don’t understand is that the Grays will not be satisfied by only kidnapping people and going on with their abominable experiments.

*** *** ***

The Grays suffer from Progeria

All their experiments were aimed toward saving their own doomed race, which is dying slowly from an epidemic of Progeria which they cannot control.

By and large, they failed.

So now they want permanent visible bases on the surface of the earth, and much more scope for further experiments on a larger scale."

"They have never mentioned this plan to us," said the White House representative.

"Of course not. This is top secret. They know you will feel like cornered rats and fight back."

"So what will happen when they take over?" asked the Admiral.

"They will kill many humans. The rest will be put in concentration camps, to be available for use whenever needed. In other words, you will be taken over, and this, to all intents and purposes, will be the end of the human race."

*** *** ***

The later threat will come from the Anunnaki.

"I see," answered the Admiral, in a low voice. He was clearly thoughtful.

"What is the later threat you have mentioned?" asked one of the generals.

"It will come from the Anunnaki. You don't feel it now, not quite yet, but it is just as real. However, it is very different from the threat of the Grays.

The Anunnaki are not interested in establishing any bases on the surface of the earth or in the oceans, nor do they wish to experiment on you.

They want, quite simply, the complete destruction of your military systems, submarines, carriers, and satellites.

They will throw an electro-plasmic shield over the earth, which will prevent airplanes from taking off.

*** *** ***

Gravity will become twelve hundred times greater.

This will apply to every airplane, no matter how big or small, military, commercial, or private.

Gravity will become twelve hundred times greater than the way it is now, preventing everything on earth from moving, including human beings. Then, a kind of artificial lava will finish off the biosystem of the earth.

*** *** ***

The Anunnaki will bring on huge tsunamis.

You will not be able to fight it, for the simple reason that you don't know what it is made off. In addition, the Anunnaki will bring on huge tsunamis.

However, the worst part will be the issue of magnetism. Positive and negative magnetism will be distorted, and this will alter the laws of physics on earth. This scenario may sound like science fiction, but you know better than that. It will start around the end of 2021.

You will suddenly be confronted by confusion, when all clocks and watches will stop, and ships in the sea will collide with each other without knowing the reason, among other results of the changed polar magnetism."

"We would consider severing all relations with the Grays," said the representative of the White House. "That is, on one condition."

"I don't think the Anunnaki will be willing to negotiate conditions," I said, "but do tell me anyway.

Perhaps something can be done."

*** *** ***

The United States want to have complete military control over the earth.

"If the Anunnaki will send an official military delegation from Nibiru right away, bringing with them

scientists to develop a system like the plasmic belt and the Star Wars program, and guarantee to us that the United States can have complete military control over the earth, we will be willing to cooperate with them.

Also, we want a system that will allow us to cause major ecological catastrophes to North Korea, Iran, China, Afghanistan, and parts of Russia. Naturally, it should look like a natural catastrophe, not anything man-made," said the White House representative.

"The Anunnaki will not give you such programs," I said resolutely. "It is not at all within their plans."

"So you are refusing to protect us! If you don't protect us, why should we break our agreement with the Grays?

After all, how do we know you are really coming back, or even if you are telling the truth about the Grays' plans?
And quite frankly, why such a sudden interest in human affairs on the part of the Anunnaki, and in Americans in particular?

*** *** ***

The Anunnaki are not particularly interested in the Americans.

"Nonsense," I said. "They are not particularly interested in the Americans, you are not more important than anyone else on earth.
The only reason for contacting you in particular is the fact that the Grays have their bases in America. All the star gates, the genetic laboratory facilities and installations are either underground in America or in the American military bases. In short, the Grays are contaminating the human DNA from right here."

I could see that they believed me. But they were still naïve enough to believe that the Grays will eventually help them develop the Star Weapon system they have promised but failed to deliver.

The American still wanted to buy some time, and they were not really sure how to do that. I could feel their confusion.

“Ms. Anati,” said the Admiral. “We would like a little time to confer before giving you our final answer. If you don’t mind, allow me to escort you to one of our private guest lounges.

They are quite comfortable, I’ll arrange for coffee and some refreshments, and we will come back for you in an hour to finalize our plan. Would that be all right?”

*** *** ***

Humans are pure evil. They are treacherous creatures.

It would have been just fine, had this been the real plan. Very natural and appropriate. But my Conduit was open all along, and I read their thoughts freely.

I knew what they meant to do to me, and it did not include coffee or refreshments, nor did it take place in a guest lounge. But I decided to play their game, and went quietly with the Admiral, who chatted pleasantly while escorting me to an elevator.

The ride on the elevator was long. Very long. We went down, obviously into some underground facility. I said nothing about it and pretended all was well.

Eventually, the elevator stopped, the door opened, and at the door, three or four soldiers waited for me. I was grabbed unceremoniously, while the Admiral went back into the elevator, not even giving me a glance.

I was shoved into a cell, they locked the door behind me, and I was left alone in their underground prison.

As I said, I knew this was coming, but having my resources, I had no reason to fear these people. I could, of

course, dematerialize myself and get out any time I wanted.

So I sat on the narrow bed, directed my Conduit, and listened to their conversation. I must admit that I experienced a slight feeling of claustrophobia.

I have come so close to being an extraterrestrial that it was inevitable. But I repressed it, reminded myself that I could leave any time I wanted, and listened carefully to the conversation in the conference room.

“It won’t take long, they are all terribly claustrophobic,” said the Admiral. “Her energy will drain away, like a battery, very soon.”

“Will she die?” asked the White House representative anxiously.

“I am not sure this is a good strategy, we may be held accountable for any issues that may arise from her arrest.”

“She won’t die so quickly. She will go insane first,” said the Admiral.

“Well, so what do we do now?” asked the retired pilot.

“We have all sort of options, but what is clear to me is that we must confuse the Anunnaki and get them off our trail,” said one of the generals.

“But she may contact the Anunnaki first,” said the other general.

“This will be a good thing,” said the Admiral. “At the same time she contacts them, we will send signals that will confuse them. They won’t be able to decide where to go to get her. In the meantime, she will go mad.”

“Are you sure they drain away like the Grays?” asked the first general.

“Oh, yes, they are all the same, these filthy aliens,” said the Admiral. “Let her rot here, and we will have the Anunnaki and the Grays so confused, they will fight each other, and that will take care of all our problems.”

At this moment, something happened in my own mind. I realized that I no longer wanted to save these people. They were pure evil, and the Anunnaki do not tolerate evil.

I felt, to my own amazement, that I no longer cared about how many contaminated humans would die in the cleansing. I knew the Anunnaki will save the clean ones. Let the others go. I grinned. Yes, I finally started thinking like a full Anunnaki. What's more, I felt that I was quite capable of killing them myself.

I remembered how shocked I was when my dear, kind, loving husband killed without batting an eyelash. I was even more shocked when my beloved sister-in-law told me that she had killed too, on various missions she had undertaken. Now I understood.

I was not angry with these treacherous creatures. A cold, determined feeling went through my mind instead. It was all so simple. They were evil, and so they had to die.

*** *** ***

I created a plasmic shield around me.

Calmly, I created a plasmic shield around me. Nothing in the known universe could penetrate it. Wearing it, I could pass through an exploding star and survive.

Then, I made some calculations, figuring out how much energy was needed to blow up the entire base, killing everyone inside it in an instant. The plasmic shield was invisible and I could hear perfectly well through it until I chose to switch the audio off.

I materialized myself back into the conference room. The look on their faces when they saw me was so priceless, I had to laugh.

"Well, gentlemen," I said quite politely, "this is the end. I could have exploded the air base from anywhere on

the face of the earth, but I wanted to give you the news personally."

They must have communicated quickly with some of the personnel, because about fifteen soldiers, well-armed with all sorts of paraphernalia, burst into the room and rushed to grab me. The plasmic shield made them fly backwards, and some hit the wall. One or two fainted from the blow.

*** *** ***

It's time to blow the air base, and say good bye.

"I would not bother, if I were you, gentlemen," I said. "Believe me, there is absolutely nothing you can do. Well, it's time to blow the air base, and say good bye."

"Please, Ms. Anati, we will do what the Anunnaki ask us!" cried the White House representative. "Yes, yes, tell the Anunnaki we have no conditions! We will obey them implicitly!" said the Admiral. The others just stood there, terrorized.

A few years ago, perhaps I would have taken pity on them. I would have thought of their wives, children, pets…by now I knew this was stupid sentimentality that made me less than an Anunnaki.

That was over now.

"Too late, gentlemen," I said. "Good bye." I turned down the audio, and activated the explosion.

It looked like a nuclear bomb. It sounded like one, even through the plasmic shield. And it worked like one, too.

Nothing was left of building; I was now standing alone in a huge, black, gaping hole in the ground.

From other buildings, people came out, screaming, running wildly.

I ignored them, nodded with satisfaction at the cleanliness of the job, turned away, and proceeded to materialize myself in another continent.

I did not want the CIA agents hunting and bothering me like flies and gnats. Of course, I could kill them. But what is the point of doing the Anunnaki cleansing job for them all by myself?

Well, it was time to leave earth. If I ever came back to it, after it was cleansed, I would no longer be the same woman. I have changed, and my place now was on Nibiru.

However, I could not just call on Marduchk and ask him to pick me up as usual. Ahead of me was another task, the most important task of all. This task will be dangerous, tremendously risky, but unavoidable, and I will have to do it alone.

Somehow or other, I will have to leave everything of me that was human right here on earth.

Only then will I be able to place my mind into the clean, perfect Anunnaki body that was prepared for me some years ago.

I will have to do that with no traces of humanity, or of any possible contamination.

For that, I would have to shed my old body like the skin of a snake, leave it on earth, and go home not in a space ship, but rather, send my mind through a multidimensional ba'ab. Which meant, in human terms, that I simply had to die."

Ambar Anati's account was given to the author during his visit to New York City. It is verbatim. Said account was previously published in his books.

II. What is inside the Aliens Black Box?
III. Aliens’ intention**:** Replacing humans

I. Introduction and definition:

For many years, and in numerous countries, a great number of abductees reported on a mysterious and macabre “Alien Black Box”.

Allegedly, it is a little black box, the alien abductors, (in some unspecified instances) show to abductees, point to it, and return to their spacecraft.

It seems bizarre, but unfortunately it did happen, according to very reliable contactees and abductees.

Many abductees, including experiencers wondered what was the meaning of all this?

Why the extraterrestrials did not explain to them the reason for showing them this box?

Well, they did, but abductees did not get it.

II. What is inside the Aliens Black Box?

Allegedly, the little black box contains a live fetus of a hybrid entity (creature), which is part human and part alien Gray.

The aliens show the Black Box to their abductees, and point them to a small entity which resembles human beings;

sometime, they are babies, and some other time, adult (Males and females). The aliens don’t say a word. They just open the box and display its content.

III. Aliens’ intention: Replacing humans.

The intention of the aliens is clear: Look and see how we can duplicate you and create your replacement!

What the abductees see is essentially a holographic photo of their children; children they will give birth to, when impregnated artificially in the aliens’ test-tubes.

Simply put, the Grays are developing a new human race; a race called Grays-Humans Hybrids.

Maximilien de Lafayette
"NEW" MARIA ORSIC, NIKOLA TESLA, THEIR EXTRATERRESTRIALS MESSAGES, THE OCCULT AND UFOS. Volume 1
Maria Orsic, The Most Important Personality in Ufology's History!

MARIA ORSIC IS THE MOST IMPORTANT PERSONALITY IN UFOLOGY'S HISTORY!!

3rd Edition, totally revised, updated and indexed. Volume 1 (278 Pages. A huge file of 27 MB) from a set of 2 volumes. This book is also available in paperback in 2 volumes at Lulu.com A world premiere! A must read book. Absolutely fascinating!!!! The world's first book on Maria Orsic and the Ladies of Vril, and Nikola Tesla's extraterrestrials' connection. Hundreds upon hundreds of photos, drawings and sketches from the original files.
Information from secrets files of the NKVD, KGB, OSS,

Gestapo, SS, MI5, and intelligence agencies in 6 countries. Everything began with Maria Orsic, including extraterrestrial messages, aliens' contacts and the UFOs in modern times.
The UFO phenomenon, the first contacts with aliens from civilizations beyond our solar system, and extraterrestrials' messages, all started with an occult-metaphysical-mysticism-psychical movement created by Maria Orsic in 1917, a medium and founder of the Vrilerinnen (The Vril Society), and based upon messages she received from extraterrestrials from Aldebaran (Alpha Tauri), which contained technical data and precise instructions on how to build a super "Out of this World" flying machine (UFO). But of course everything changed as soon as the SS took control of the metaphysical efforts of Orsic and her associates. And the macabre episode ended with the SS senior officers slaughtering 60 German scientists who were working on the final prototypes of the Bell UFO, when they became convinced that Germany has lost the war.
Fearing that their UFO technology will fall into the hands of the Red Army, SS officers shot the leading engineers. And those who managed to escape, just 3 days before the Russian troops entered Berlin, vanished from the face of the earth, taking with them the most important documents and blueprints of the last versions of their Bell-UFOs, stealth supersonic bombers, jet-fighters, and other secret miracle-weapons. But the greatest, most unique and most formidable person in all these scenarios, Germany's UFOs saga, and the history of ufology and extraterrestrials' contacts was and still is Maria Orsic.
Maria was an extraordinary woman on so many levels!
Read about:

1.Life and times of Maria Orsic. The first person on Earth to receive extraterrestrial messages in 1917. The first woman to build a UFO using technical data given to her by extraterrestrials
